

338 CALIBER (0.338") LAZER TIPPED HOLLOW POINT BULLETS - CUTTING EDGE BULLETS 338 CALIBER (0.338") 250GR TIPPED HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Cutting Edge Bullets LAZER line is a high BC, tipped hollow point hunting bullet designed for excellent long range accuracy and devastating terminal performance. These bullets are all manufactured out of lead-free, solid copper bar stock on a CNC Swiss style lathe. These bullets do not mushroom, but instead, fracture. After 1-2" of penetration, 3 large petals will break off and radiate outward in a star pattern while the base continues through for even deeper penetration. The LAZER line will function down to 1500fps.

Attributes

Safety Instruction Guide for 338 CALIBER (0.338") LAZER TIPPED HOLLOW POINT BULLETS

Introduction

Thank you for choosing the Cutting Edge Bullets LAZER line. This guide provides important safety instructions to ensure the safe use of the 338 CALIBER (0.338") LAZER TIPPED HOLLOW POINT BULLETS. Please read this guide carefully before handling or using the product.

General Safety Guidelines

- Ensure that this product is stored in a secure location, away from children and unauthorized individuals.
- Always treat all ammunition as if it is live and capable of firing.
- Follow all local laws and regulations regarding the possession and use of ammunition.
- Use this product only with firearms that are specifically designed for the 338 caliber.
- Inspect the ammunition before use; do not use any ammunition that shows signs of damage or corrosion.
- If you experience any malfunctions while using this product, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shooting area is safe and that there are no people or animals in the vicinity.
- Do not use this ammunition in firearms that are not rated for the specific caliber and bullet type.
- Be aware of your target and what lies beyond it to prevent accidental injury or damage.
- Keep your firearm pointed in a safe direction at all times.
- Avoid using this ammunition in wet or damp conditions, as moisture can affect performance.

Instructions for Installation and Usage

- Store the ammunition in a cool, dry place to maintain its quality and performance.
- Before loading, ensure that your firearm is unloaded and pointed in a safe direction.
- Load the ammunition into your firearm according to the manufacturer's instructions for your specific firearm model.
- After loading, check that the firearm is functioning correctly and that the ammunition is seated properly.
- When ready to shoot, adopt a stable shooting position and align your sights with your target.
- After firing, inspect the firearm and ammunition for any signs of malfunction or damage before continuing use.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local laws and regulations.
- Do not throw ammunition in regular trash; contact local authorities for proper disposal methods.
- If you have any concerns about disposal, seek guidance from a qualified firearms dealer or local waste management authority.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 338 CALIBER (0.338") LAZER TIPPED HOLLOW POINT BULLETS, please contact your local firearms dealer or manufacturer directly.

This guide is intended to ensure the safe handling and use of the product. Always prioritize safety and compliance with applicable laws and regulations. Thank you for your attention to these important safety

instructions.
