

338 CALIBER (0.338") SINGLE FEED LAZER TIPPED HP BULLETS - CUTTING EDGE BULLETS 338 CALIBER (0.338") 300GR TIPPED HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Cutting Edge LAZER line is a high BC, tipped hollow point hunting bullet designed for excellent long range accuracy and devastating terminal performance. These bullets are all manufactured out of lead-free, solid copper bar stock on a CNC Swiss style lathe. These bullets do not mushroom, but instead, fracture. After 1-2" of penetration, 3 large petals will break off and radiate outward in a star pattern while the base continues through for even deeper penetration. The LAZER line will function down to 1500fps. These bullets are single feed and will most likely be too long to fit into standard magazines.

Attributes

- Name: [CUTTING EDGE BULLETS 338 CALIBER \(0.338"\) 300GR TIPPED HOLLOW POINT 50/BOX](#)
- Manufacturer: [CUTTING EDGE BULLETS](#)
- Product no.: 749018310
- Mfr. No.: LZR 338 300 MAX GEN 2
- Ballistic Coefficient (G1): 0.780
- Ballistic Coefficient (G7): 0.405
- Brand Style: Lazer
- Bullet Style: Tipped Hollow Point
- Caliber: 338 Caliber
- Diameter (in): 0.338
- Grain: 300
- Quantity: 50
- Delivery weight: 0.907kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 127mm
- UPC: 812191021487

Safety Instruction Guide for 338 Caliber (0.338") Single Feed Lazer Tipped HP Bullets

Introduction

Thank you for choosing the Cutting Edge LAZER line of 338 Caliber (0.338") 300 Grain Tipped Hollow Point Bullets. These bullets are designed for high ballistic performance and accuracy. However, it is crucial to follow safety guidelines to ensure safe handling and usage. This guide provides important safety information and instructions to help you use this product responsibly.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of firearms and ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Always handle bullets and firearms with care to prevent accidents.
- Inspect ammunition for damage before use. Do not use damaged or corroded bullets.
- Report any incidents or unsafe products to local authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure your firearm is compatible with 338 Caliber (0.338") ammunition before use.
- Do not exceed the recommended velocity of 1500 feet per second (fps) for optimal performance.
- Avoid using bullets that have been exposed to excessive heat or moisture.
- Do not attempt to modify or alter the bullets in any way.
- Follow the manufacturer's instructions for loading and firing to minimize risks.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and inspect the chamber to ensure it is clear.
- Carefully load the LAZER tipped hollow point bullets into the chamber or magazine, ensuring they are seated properly.
- Close the action of the firearm securely.

2. Firing the Bullets:

- When ready to fire, assume a stable shooting position.
- Align your sights on the target and ensure the area is clear of obstructions and people.
- Gradually squeeze the trigger to fire the bullet, maintaining control of the firearm throughout the process.

3. PostFiring:

- After firing, always check the firearm to ensure it is clear before handling it further.
- Clean your firearm according to the manufacturer's recommendations after use.

Disposal Instructions

- Dispose of unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local authorities or waste management services for proper disposal methods.
- Ensure that any used or damaged bullets are handled with care to prevent accidents.

Contact Information for Further Support

For safety inquiries or concerns regarding the Cutting Edge LAZER bullets, please refer to the official website or contact the manufacturer directly.

By following these safety instructions, you can ensure a safer experience while using the Cutting Edge LAZER line of bullets. Always prioritize safety and be aware of your surroundings when handling firearms and ammunition.
