

# **375 CALIBER (0.375") SINGLE FEED LAZER TIPPED HP BULLETS - CUTTING EDGE BULLETS 375 CALIBER (0.375") 400GR TIPPED HOLLOW POINT 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Cutting Edge LAZER line is a high BC, tipped hollow point hunting bullet designed for excellent long range accuracy and devastating terminal performance. These bullets are all manufactured out of lead-free, solid copper bar stock on a CNC Swiss style lathe. These bullets do not mushroom, but instead, fracture. After 1-2" of penetration, 3 large petals will break off and radiate outward in a star pattern while the base continues through for even deeper penetration. The LAZER line will function down to 1500fps. These bullets are single feed and will most likely be too long to fit into standard magazines.

## **Attributes**

- Name: [CUTTING EDGE BULLETS 375 CALIBER \(0.375"\) 400GR TIPPED HOLLOW POINT 50/BOX](#)
- Manufacturer: [CUTTING EDGE BULLETS](#)
- Product no.: 749018314
- Mfr. No.: LZR 375 400 MAXGEN 2
- Ballistic Coefficient (G1): 0.930
- Ballistic Coefficient (G7): 0.474
- Brand Style: Lazer
- Bullet Style: Tipped Hollow Point
- Caliber: 375 Caliber
- Diameter (in): 0.375

# Safety Instruction Guide for Cutting Edge 375 Caliber (0.375") Single Feed Lazer Tipped HP Bullets

## Introduction

Thank you for purchasing the Cutting Edge 375 Caliber (0.375") Single Feed Lazer Tipped HP Bullets. This guide provides important safety information and instructions for the proper use and disposal of this product. Please read this guide carefully to ensure safe handling and compliance with relevant safety regulations.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety procedures.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect bullets for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for 375 Caliber (0.375") ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Avoid using the bullets in conditions where excessive heat or moisture may be present.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### • Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the bullets into the chamber or magazine, ensuring they are properly seated.
- Close the action of the firearm securely before firing.

### • Firing the Bullets:

- Ensure a stable shooting position.
- Aim at the target and ensure no one is in the line of fire.
- Pull the trigger smoothly to fire the bullet.
- After firing, keep the firearm pointed downrange until you are ready to inspect.

### • PostUse:

- After use, clean the firearm according to the manufacturer's instructions.
- Store any remaining bullets in their original packaging in a safe location.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal

methods.

- Ensure that bullets are kept away from children and pets until they can be disposed of safely.

## Contact Information for Further Support

For any questions or concerns regarding the Cutting Edge 375 Caliber (0.375") Single Feed Lazer Tipped HP Bullets, please reach out to the designated contact point provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Cutting Edge bullets. Thank you for your attention to safety.
