

375 CALIBER (0.375") SINGLE FEED LAZER TIPPED HP BULLETS - CUTTING EDGE BULLETS 375 CALIBER (0.375") 425GR TIPPED HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Cutting Edge LAZER line is a high BC, tipped hollow point hunting bullet designed for excellent long range accuracy and devastating terminal performance. These bullets are all manufactured out of lead-free, solid copper bar stock on a CNC Swiss style lathe. These bullets do not mushroom, but instead, fracture. After 1-2" of penetration, 3 large petals will break off and radiate outward in a star pattern while the base continues through for even deeper penetration. The LAZER line will function down to 1500fps. These bullets are single feed and will most likely be too long to fit into standard magazines.

Attributes

- Name: [CUTTING EDGE BULLETS 375 CALIBER \(0.375"\) 425GR TIPPED HOLLOW POINT 50/BOX](#)
- Manufacturer: [CUTTING EDGE BULLETS](#)
- Product no.: 749018315
- Mfr. No.: LZR 375 425 MAX GEN 2
- Ballistic Coefficient (G1): 0.980
- Ballistic Coefficient (G7): 0.494
- Brand Style: Lazer
- Bullet Style: Tipped Hollow Point
- Caliber: 375 Caliber
- Diameter (in): 0.375
- Grain: 425
- Quantity: 50
- Delivery weight: 1.542kg
- Shipping height: 76mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 812191022750

Safety Instruction Guide for 375 Caliber (0.375") Single Feed Lazer Tipped HP Bullets

Introduction

Thank you for choosing the Cutting Edge LAZER line of bullets. These high ballistic coefficient, tipped hollow point hunting bullets are designed for exceptional longrange accuracy and terminal performance. This guide provides essential safety instructions to ensure safe usage and compliance with European safety regulations.

General Safety Guidelines

- Ensure safe handling and storage of bullets to prevent accidents.
- Always treat bullets and firearms as if they are loaded.
- Keep bullets out of reach of children and unauthorized users.
- Use protective eyewear when handling or using firearms.
- Follow all local laws and regulations regarding the use of ammunition.
- Regularly check for updates or recalls related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the appropriate caliber firearm for these bullets (375 Caliber).
- Verify that your firearm is in good working condition before use.
- Avoid using these bullets in firearms not designed for this caliber.
- Do not exceed the recommended velocity of 1500 fps for optimal performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any misfires or irregularities, cease use immediately and consult a professional.

Instructions for Installation and Usage

- **Installation:**
 - Store bullets in a cool, dry place away from direct sunlight.
 - Check the packaging for any visible damage before use.
- **Usage:**
 - Load bullets into the firearm according to the manufacturer's instructions.
 - Ensure the firearm is pointed in a safe direction during loading.
 - Engage the safety mechanism of the firearm until ready to shoot.
 - Aim only at intended targets and identify your target and what is beyond it.

Disposal Instructions

- Dispose of unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not throw bullets in regular trash. Check with local authorities for proper disposal methods.
- Ensure that any remnants of bullets are disposed of safely to prevent accidental use or injury.

Contact Information for Further Support

For safety inquiries or concerns regarding this product, please contact the manufacturer. Ensure you have your product information at hand for efficient assistance.

By following these safety instructions, you can ensure a safer experience when using the Cutting Edge LAZER line of bullets. Always prioritize safety and compliance with applicable regulations.
