

# 6MM (0.243") SINGLE FEED MTAC BULLETS - CUTTING EDGE BULLETS 6MM (0.243") 102GR MATCH/TACTICAL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Cutting Edge MTAC line of bullets are machined out of lead free solid copper bar stock on a CNC swiss lathe. These are a high BC, solid bullet designed exclusively for target use at all ranges. A unique feature of this bullet is their patented SealTite™ band which is a band slightly larger than caliber diameter around the bullet which was designed to eliminate fliers by preventing gas blow-by. The SealTite™ band also decreases copper fouling which is typically associated with mono metal bullets. The required twist rate for these bullets is 1:7.5" or faster. Due to their length, these MTAC bullets are designed to be single fed.

## Attributes

- Name: [CUTTING EDGE BULLETS 6MM \(0.243"\) 102GR MATCH/TACTICAL 50/BOX](#)
- Manufacturer: [CUTTING EDGE BULLETS](#)
- Product no.: 749018325
- Mfr. No.: MTAC 243 102 MAX
- Ballistic Coefficient (G1): 0.470
- Brand Style: MTAC
- Bullet Style: Copper Hollow Point
- Caliber: 6mm,243 Caliber
- Diameter (in): 0.243
- Grain: 102
- Quantity: 50
- Delivery weight: 0.363kg
- Shipping height: 38mm
- Shipping width: 64mm
- Shipping length: 127mm
- UPC: 812191022910

# Safety Instruction Guide for 6MM (0.243") SINGLE FEED MTAC BULLETS

## Introduction

Thank you for choosing Cutting Edge Bullets' 6MM (0.243") SINGLE FEED MTAC BULLETS. This guide provides important safety information, usage instructions, and contact details for support. Please read this guide carefully to ensure safe handling and optimal performance of the product.

## General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and moisture.
- Always handle ammunition with care and keep it out of reach of children and unauthorized users.
- Use protective eyewear and hearing protection when using firearms.
- Familiarize yourself with your firearm's manual and ensure it is compatible with these bullets.
- Follow all local laws and regulations regarding ammunition use and storage.
- Regularly check for product recalls or safety alerts via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:** The bullets are designed for target shooting and may pose risks if used improperly.
- **Avoiding Hazards:**
  - Do not use these bullets in firearms not rated for 6MM (0.243") ammunition.
  - Always ensure the firearm is unloaded before handling ammunition.
  - Do not attempt to modify or alter the bullets in any way.
  - Ensure the shooting area is safe and free from bystanders.
- **Age Warning:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult when handling firearms and ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Check that your firearm is clean and in good working order before loading.
  - Load the bullets into the magazine or chamber according to the firearm's manual.
- **Usage:**
  - Use only in a controlled shooting environment, such as a designated shooting range.
  - Always point the firearm in a safe direction when loading or unloading.
  - Ensure a proper grip and stance before firing.
  - After firing, inspect the firearm and the bullets for any signs of damage or malfunction.

## Disposal Instructions

- Dispose of used or damaged ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Contact your local waste management facility for proper disposal methods.
- Ensure that any spent casings are also disposed of responsibly to prevent environmental hazards.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the 6MM (0.243") SINGLE FEED MTAC BULLETS, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority.
