LOCKNLOAD MODIFIED CASES 280 ACKLEY IMPROVED MODIFIED CASE Safety Instruction Guide

Introduction

Thank you for choosing the Hornady LockNLoad Modified Cases 280 Ackley Improved. This product is designed to enhance your reloading experience by allowing precise bullet seating. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle all reloading equipment and components with care.
- Ensure you are familiar with the operation of your reloading equipment before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect your equipment for wear and tear. Do not use damaged components.
- Follow all local laws and regulations regarding ammunition and reloading practices.
- Use the product only for its intended purpose as outlined in this guide.

Specific Safety Precautions for Use

- Modified cases are not suitable for use in tight neck chambers. Ensure compatibility before use.
- Do not attempt to modify or alter the cases in any way.
- Always wear appropriate eye protection when reloading.
- Ensure your workspace is clean and free of distractions while using this product.
- Store modified cases in a dry, cool place away from direct sunlight and moisture.
- If you experience any unusual behavior while using the product, stop usage immediately and consult the instructions.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the Hornady LockNLoad Gauge.
- Ensure your workspace is clean and organized.

2. Using the Modified Cases

- Insert the modified case into the LockNLoad Gauge as per the provided instructions.
- Follow the gauge's guidelines to achieve the desired bullet seating depth.
- After use, remove the modified case from the gauge and store it properly.

3. Custom Cartridges

- If you require a cartridge not listed, contact Hornady for custom cartridge options.
- Refer to the instructions for detailed information on how to request custom cartridges.

4. Safety Checks

- After each use, inspect the modified case for any signs of damage or wear.
- Dispose of any damaged cases according to local regulations.

Disposal Instructions

- Dispose of any modified cases that are damaged or worn out in accordance with local laws and regulations.
- Do not dispose of modified cases in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the official Hornady website or contact your local distributor. Ensure you have the product information ready for a more efficient response.

By following these guidelines, you can ensure a safe and effective experience with your Hornady LockNLoad Modified Cases 280 Ackley Improved. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety instructions.
