CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 224 VALKYRIE FULL LENGTH DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Inspect the die set for any signs of damage or wear before use.
- Use the die set only for its intended purpose: reloading .224 Valkyrie cartridges.
- Ensure you are using the correct tools and accessories compatible with the die set.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Do not exceed the recommended load data provided by powder manufacturers.
- Always doublecheck measurements and settings before commencing the reloading process.
- Avoid distractions while reloading to maintain focus and accuracy.
- Store the die set and components in a dry, cool place to prevent corrosion and deterioration.
- Be aware of the risks associated with handling gunpowder and primers, including fire hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Attach the sizing die to the press, following the manufacturer's instructions for your specific press model.
- Adjust the die to the proper height according to the reloading manual instructions.
- Insert the bullet seating die into the press and set it according to the bullet specifications.

2. Usage:

- Prepare your brass cases by cleaning them thoroughly.
- Use the sizing die to resize the cases, ensuring proper fit in your chamber.
- Check the case length and trim if necessary to meet specifications.
- Charge the cases with the appropriate amount of powder using a reliable scale.
- Place a bullet on each charged case and use the bullet seating die to seat the bullets to the desired depth.
- Inspect each completed round for consistency and safety before storage or use.

Disposal Instructions

- Dispose of any unused or expired components, including gunpowder and primers, according to local regulations.

- Do not throw away used brass cases in regular trash. Consider recycling options available in your area.
- Follow local guidelines for disposing of hazardous materials to ensure safety and compliance.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Hornady Custom Grade 2Die set, please refer to the manufacturer's website or customer support resources. Ensure you have your product details available for reference.

By following these safety instructions, you can enjoy a safe and effective reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and stay informed about best practices in reloading.
