

FULL LENGTH SIZER DIES - 224 VALKYRIE FULL LENGTH SIZER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Ensure Your 22 Creedmoor Brass is Sized Right

Precise machining allows accurate reloading by offering easier adjustments, better alignment and smooth functioning. With one of the finest internal finishes in the industry, Hornady® Custom Grade and Match Grade Dies provide a lifetime of reloading. They're so well crafted that they're guaranteed never to break or wear out from normal use. ZIP SPINDLE™ DESIGN: A feature on all full length size dies, the Zip Spindle™ positively locks to eliminate slippage. A series of light threads cut on both the spindle and spindle collet allows incremental adjustments by turning the spindle or it can easily "zip" up or down for larger movements. LOCK RINGS WITH WRENCH FLATS: The Hornady Sure-Loc™ lock rings clamp around the entire die applying constant pressure to hold the ring in place. The locking screw tightens the ring without coming into contact with the threads, eliminating possible damage from pliers. SMOOTH FINISH: Internal die profile is precision machined and polished to a smooth finish for reliable functioning without case sticking or excessive friction. Most of Hornady's pistol dies feature a titanium nitride "gold ring" finish that's harder than carbide and doesn't require lubrication. The super hard coating is perfect for resizing soft pistol brass and won't scratch cases. ELLIPTICAL EXPANDER: Superior to "ball expanders," this Hornady® exclusive provides extremely smooth neck sizing and significantly reduces friction and case neck stretch. Internal threading prevents it from pulling loose and the elliptical expander eliminates the need for a separate expander die for necking-up to the next caliber.

Attributes

- Name: [224 VALKYRIE FULL LENGTH SIZER DIE](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749018596
- Mfr. No.: 046559
- Die Style: Full Length Sizing Die
- Náboje: 224 Valkyrie
- Delivery weight: 0.272kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 152mm

FULL LENGTH SIZER DIES 224 VALKYRIE Safety Instruction Guide

Introduction

Thank you for choosing the Hornady FULL LENGTH SIZER DIES 224 VALKYRIE. This guide provides important safety instructions to ensure the safe use of this reloading product. Please read this guide thoroughly before use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in reloading ammunition. Ensure you understand its operation before use.
- **Enhanced Recalls:** In case of a product recall, follow the instructions provided in the recall notice. Always check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about any safety updates regarding this product through the Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Ensure your workspace is wellventilated and free of clutter.
- Keep all tools and materials out of reach of children and pets.
- Verify that the die is compatible with your specific cartridge before use.
- Do not exceed the recommended load specifications for your ammunition.
- Inspect the die for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for adjustments and maintenance.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted to a stable surface.
- Insert the FULL LENGTH SIZER DIE into the press according to the manufacturer's instructions.
- Tighten the lock rings securely to prevent movement during operation.

2. Usage:

- Adjust the Zip Spindle™ to lock the die in place and prevent slippage.
- Use the Hornady SureLoc™ lock rings to maintain constant pressure and avoid damage.
- When resizing brass, ensure that the internal die profile is clean and free of debris.
- For neck sizing, utilize the elliptical expander feature to minimize friction.
- Follow all recommended practices for reloading, including checking for case sticking or excessive friction.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular waste; follow hazardous waste disposal guidelines.
- Ensure that all packaging materials are recycled or disposed of properly.

Contact Information for Further Support

For any questions or concerns regarding the use of the FULL LENGTH SIZER DIES 224 VALKYRIE, please refer to the contact information provided by your retailer or manufacturer.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing Hornady products.
