

# FULL LENGTH SIZER DIES - 22 CREEDMOOR FULL LENGTH SIZER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

## Ensure Your 22 Creedmoor Brass is Sized Right

Precise machining allows accurate reloading by offering easier adjustments, better alignment and smooth functioning. With one of the finest internal finishes in the industry, Hornady® Custom Grade and Match Grade Dies provide a lifetime of reloading. They're so well crafted that they're guaranteed never to break or wear out from normal use. ZIP SPINDLE™ DESIGN: A feature on all full length size dies, the Zip Spindle™ positively locks to eliminate slippage. A series of light threads cut on both the spindle and spindle collet allows incremental adjustments by turning the spindle or it can easily "zip" up or down for larger movements. LOCK RINGS WITH WRENCH FLATS: The Hornady Sure-Loc™ lock rings clamp around the entire die applying constant pressure to hold the ring in place. The locking screw tightens the ring without coming into contact with the threads, eliminating possible damage from pliers. SMOOTH FINISH: Internal die profile is precision machined and polished to a smooth finish for reliable functioning without case sticking or excessive friction. Most of Hornady's pistol dies feature a titanium nitride "gold ring" finish that's harder than carbide and doesn't require lubrication. The super hard coating is perfect for resizing soft pistol brass and won't scratch cases. ELLIPTICAL EXPANDER: Superior to "ball expanders," this Hornady® exclusive provides extremely smooth neck sizing and significantly reduces friction and case neck stretch. Internal threading prevents it from pulling loose and the elliptical expander eliminates the need for a separate expander die for necking-up to the next caliber.

## Attributes

- Name: [22 CREEDMOOR FULL LENGTH SIZER DIE](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749018600
- Mfr. No.: 046560
- Die Style: Full Length Sizing Die
- Náboje: 22 Creedmoor
- Delivery weight: 0.227kg
- Shipping height: 38mm
- Shipping width: 38mm

# FULL LENGTH SIZER DIES 22 CREEDMOOR Safety Instruction Guide

## Introduction

Thank you for choosing the Hornady® Full Length Sizer Die for 22 Creedmoor. This product is designed to provide precise reloading capabilities, ensuring safety and reliability during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the die for any signs of damage before use.
- Use protective eyewear when reloading to prevent injury from potential debris.
- Follow all local laws and regulations regarding reloading ammunition.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper handling or malfunction.
- Risk of damage to the die if used with incompatible materials.

### • Avoiding Hazards:

- Always use the die in a wellventilated area.
- Do not exceed the recommended specifications for the die.
- Ensure that all components are clean and free from obstructions before use.
- Do not force the die if it does not function smoothly; inspect for issues instead.

### • Age and AudienceSpecific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.
- Those unfamiliar with reloading practices should seek guidance from experienced users or professionals.

## Instructions for Installation and Usage

### • Installation:

1. Secure the die in the reloading press according to the manufacturer's instructions.
2. Ensure that the lock rings are properly tightened to prevent movement during operation.

### • Usage:

- Adjust the Zip Spindle™ to the desired setting for precise sizing.
- Use the elliptical expander for smooth neck sizing without excessive friction.
- Monitor the process closely and make adjustments as needed for optimal performance.

### • PostUse:

- Clean the die after each use to maintain its performance and longevity.

- Store the die in a dry, safe place to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for recycling options or hazardous waste disposal programs in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Hornady® Full Length Sizer Die, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Hornady® Full Length Sizer Die for 22 Creedmoor. Always prioritize safety and compliance with local laws when engaging in reloading activities. Thank you for your attention to these important safety measures.
