

MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS MATCHKING 6.5MM (.264") 144GR HOLLOW POINT BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within \pm 0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 144GR HOLLOW POINT BOAT TAIL 500/BOX](#)

MATCHKING 6.5MM BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing Sierra's MatchKing 6.5mm (0.264") Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the bullets to understand the necessary precautions and procedures.

General Safety Guidelines

- Always handle bullets with care and follow standard safety practices for firearms and ammunition.
- Ensure that the bullets are stored in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use the bullets only in firearms designed for the specified caliber (6.5mm).
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Check for visible damage or defects in the bullets before use.
- Do not exceed the recommended load specifications for your firearm.
- Ensure that your firearm is in good working condition and properly maintained.
- Use only reputable reloading components and follow established reloading practices.
- Always point the firearm in a safe direction when loading and unloading ammunition.
- Be cautious of potential ricochet hazards in your shooting area.

Instructions for Installation and Usage

• Loading the Bullets:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Open the box of MatchKing bullets and inspect for any damage.
3. Follow the reloading manual specific to your firearm to load the bullets correctly.
4. Ensure the bullets are seated properly in the cartridge case.

• Firing the Bullets:

1. Load the firearm with the completed cartridges.
2. Ensure the safety mechanism is engaged until you are ready to fire.
3. Take a proper shooting stance and align your sights on the target.
4. Disengage the safety and squeeze the trigger gently to fire.

• After Firing:

1. Always check the firearm to ensure it is unloaded after use.
2. Clean your firearm according to the manufacturer's instructions to maintain its condition.
3. Dispose of any spent casings and unused bullets according to local regulations.

Disposal Instructions

- Dispose of bullets and ammunition in accordance with local laws and regulations.
- Do not throw bullets in regular trash; contact local waste management for proper disposal methods.

- If you encounter any damaged or defective bullets, do not attempt to use them. Contact your local authorities for guidance on safe disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MatchKing bullets, please refer to the appropriate local authorities or contact the retailer from which you purchased the product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with Sierra's MatchKing 6.5mm Bullets. Always prioritize safety and responsible usage in all shooting activities. Thank you for your attention to these important guidelines.
