

NATIONAL MATCH DIE SETS - REDDING 224 VALKYRIE NATIONAL MATCH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding National Match Die Set is for the serious match and military shooter. Each set includes a Full Length Sizing Die (non-bushing type), Taper Crimp Die, and Competition Bullet Seater. "Across the Course" and "Long Range" shooters have bought these dies individually for years at the NRA National Matches. Shooters that prefer the results of a separate taper crimp operation now have their needs packaged in a convenient die set.

Safety Instruction Guide for Redding National Match Die Set

Introduction

Thank you for choosing the Redding National Match Die Set for your shooting needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the safe handling of firearms and ammunition before using this product.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearms and ammunition.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware that improper use of the die set can lead to dangerous situations, including misfires or damage to firearms.
- **Proper Equipment:** Use the die set only with compatible cartridges (224 Valkyrie). Using incorrect cartridges can cause malfunctions.
- **Loading Practices:** Always follow safe reloading practices. Do not exceed recommended loads and adhere to established guidelines.
- **DistractionFree Environment:** Ensure your workspace is free from distractions and clutter while using the die set.
- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that minors are supervised by a responsible adult when using this product.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is clean and in good working condition.
 2. Securely mount the Full Length Sizing Die in the press according to the manufacturer's instructions.
 3. Install the Taper Crimp Die and the Competition Bullet Seater in the same manner.
 4. Check that all dies are tightened properly to prevent movement during use.
- **Usage:**
 1. Follow the manufacturer's guidelines for setting up the reloading press.
 2. Use the Full Length Sizing Die to size the brass cases before reloading.
 3. Apply the Taper Crimp Die to ensure proper crimping of the bullet.
 4. Use the Competition Bullet Seater to seat the bullets to the desired depth.
 5. Regularly check the die settings to ensure consistent performance.

Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Avoid disposing of the die set in regular household waste. Instead, contact local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Redding National Match Die Set, please contact the manufacturer directly. Ensure you have your product details ready for a more efficient response.

Conclusion

By following these safety instructions, you can ensure a safe reloading experience with your Redding National Match Die Set. Always prioritize safety and adhere to recommended practices. Thank you for your commitment to responsible shooting.
