Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SET 6.5 PRC

Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET 6.5 PRC by Redding. This product is designed for precision reloading and is intended for use by individuals who are knowledgeable about firearms and ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure that you are familiar with the laws and regulations regarding reloading in your area.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set before each use for any signs of damage or wear.
- Use only compatible components and materials as specified by the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the die set.
- Ensure your workspace is clean and free of clutter to prevent accidents.
- Never exceed the recommended load data for the cartridges you are reloading.
- Always doublecheck measurements and settings before proceeding with the reloading process.
- Do not leave the die set unattended while in use.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is properly mounted and secure.
- Attach the Type S Bushing Neck Sizing Die to the press according to the manufacturer's instructions.
- Install the Body Die and Competition Seating Die in the same manner.
- Adjust the dies to the desired settings based on your specific reloading requirements.

2. Usage

- Follow the specific instructions for each die:
 - **Type S Bushing Neck Sizing Die:** Use this die to size the neck of the cartridge case. Select the appropriate bushing for your desired neck tension.
 - **Body Die:** This die is used to size the body of the cartridge case. Ensure proper adjustment for consistent results.
 - **Competition Seating Die:** Use this die to seat the bullet to the correct depth. Make sure to check the overall length of the finished cartridge.
- After reloading, inspect each cartridge for proper dimensions and signs of defects.
- Store completed ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not discard in regular household waste. Check with local authorities for proper disposal methods for

reloading equipment and materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety in your reloading practices. Enjoy using your TYPE S MATCH BUSHING NECK DIE SET 6.5 PRC responsibly.
