

# BODY DIES - REDDING 6.5 PRC BODY DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

## Attributes

- Name: [REDDING 6.5 PRC BODY DIE](#)
- Manufacturer: [REDDING](#)
- Product no.: 749018633

# **BODY DIES REDDING 6.5 PRC BODY DIE Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BODY DIES REDDING 6.5 PRC BODY DIE. This product is designed to help you resize the case body of your ammunition for optimal chambering. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage instructions, and disposal methods.

## **General Safety Guidelines**

- Ensure that the BODY DIE is used only for its intended purpose.
- Always handle the die with care to avoid injury.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the die and contact the manufacturer for assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses and gloves, while using the die.
- Make sure the die is securely mounted in your reloading press before use.
- Do not attempt to resize cases that are excessively damaged or deformed.
- Follow the manufacturer's instructions for proper operation and maintenance.
- Avoid using excessive force when resizing cases to prevent damage to the die or injury.
- Ensure that your workspace is clean and free from distractions to maintain focus while using the die.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your reloading press is clean and in good working condition.
- Insert the BODY DIE into the reloading press as per the manufacturer's guidelines.
- Tighten the die securely to prevent movement during operation.

### **2. Usage:**

- Start with a case that has been fired in your firearm.
- Place the case into the die and operate the reloading press according to the manufacturer's instructions.
- Resize the case body without affecting the neck.
- After resizing, it is recommended to run the case through a neck die to ensure proper neck tension.
- Inspect the resized case for proper dimensions and fit before using it for reloading.

## **Disposal Instructions**

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Do not throw the die in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the BODY DIES REDDING 6.5 PRC BODY DIE, including safety concerns or product issues, please reach out to the manufacturer or authorized dealer.

## **Conclusion**

Following these safety instructions will help ensure that you use the BODY DIES REDDING 6.5 PRC BODY DIE safely and effectively. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important guidelines.
