

# TYPE S BUSHING FULL DIES - REDDING 224 VALKYRIE BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

- Name: [REDDING 224 VALKYRIE BUSHING FULL LENGTH TYPE S DIE](#)
- Manufacturer: [REDDING](#)
- Product no.: 749018634

# Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 224 VALKYRIE BUSHING FULL LENGTH TYPE S DIE

## Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 224 VALKYRIE BUSHING FULL LENGTH TYPE S DIE. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of the product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure safe use of this product by following all safety instructions.
- Be aware of potential hazards associated with the use of reloading equipment.
- Keep this product out of reach of children and vulnerable groups.
- Regularly check for updates on product recalls and safety alerts through the EU Safety Gate platform.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not exceed the recommended load specifications for the cartridge being reloaded.
- Be cautious of the bushing's position; improper adjustment may lead to sizing issues or cartridge damage.
- Avoid using the die if it appears damaged or if parts are missing.
- Keep hands and body clear of moving parts during operation to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightly fastened to prevent movement during operation.

### 2. Usage:

- Adjust the decapping rod to set the desired bushing position.
- Insert the cartridge case into the die and apply even pressure to resize the case neck.
- Monitor the sizing process closely to ensure proper alignment and concentricity of the cartridge.
- Remove the bushing and internal parts if you wish to use the die as a body die.

### 3. PostUse:

- Clean the die after each use to maintain its performance and longevity.
- Store the die in a dry place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the die with regular household waste.

- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For questions or concerns regarding the use of this product, please refer to the manufacturer's website or customer service for assistance. Always ensure that you have the latest information regarding safety recalls and updates.

By following these guidelines, you can ensure safe and effective use of the TYPE S BUSHING FULL DIES REDDING 224 VALKYRIE BUSHING FULL LENGTH TYPE S DIE. Thank you for prioritizing safety in your reloading practices.
