

# TYPE S BUSHING FULL DIES - REDDING 6.5 PRC BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

- Name: [REDDING 6.5 PRC BUSHING FULL LENGTH TYPE S DIE](#)

# Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 6.5 PRC

## Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 6.5 PRC. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die to ensure a safe reloading experience.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the reloading process and have the necessary skills and knowledge before using this die.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Make sure your workspace is clean, dry, and welllit to avoid accidents.
- Do not exceed the recommended load specifications as indicated in your reloading manual.
- Always ensure that the die is securely mounted in your reloading press before use.
- Never attempt to modify the die or use it for purposes other than intended.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the TYPE S BUSHING FULL DIE in your reloading press according to the manufacturer's instructions.
- Ensure that the die is aligned properly to avoid misalignment during the resizing process.
- Insert the appropriate bushing for your desired neck size. This bushing is interchangeable and can be adjusted as needed.

### 2. Usage:

- Begin the resizing process by placing a clean, empty cartridge case into the reloading press.
- Slowly raise the ram to engage the die with the cartridge case. Ensure the bushing selfcenters on the neck of the case.
- Adjust the decapping rod as necessary to size only part of the neck length, if desired.
- After resizing, lower the ram and remove the cartridge case. Inspect the case for uniform sizing and any signs of damage.
- Repeat the process for each cartridge case as needed.

### 3. PostUsage:

- After completing your reloading session, clean the die to remove any residue or debris.
- Store the die in a safe, dry place to prevent damage and ensure longevity.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries related to safety or product usage, please consult the manufacturer's website or contact your local retailer for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the TYPE S BUSHING FULL DIES REDDING 6.5 PRC. Thank you for your attention to safety!
