# TYPE S BUSHING NECK DIE SETS REDDING 224 VALKYRIE BUSHING NECK DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 224 VALKYRIE BUSHING NECK DIE SET. This product is designed to help reloaders precisely control case neck size and tension. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Regularly inspect the die set for any signs of damage or wear before use.
- If you encounter any issues during use, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that the reloading area is clean and free from distractions.
- Do not exceed the recommended load specifications as outlined in your reloading manual.
- Use only compatible components with the die set to avoid malfunctions.
- Avoid using the die set for any purpose other than its intended use.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your reloading press is securely mounted and stable.
2. **Assembly:**
  - Remove the die set from the packaging.
  - Identify the Type S Bushing Neck Die and Body Die.
  - Insert the Body Die into the reloading press and tighten securely.
  - Insert the Type S Bushing Neck Die into the press and adjust to the desired position.

### Usage

1. **Adjusting Neck Size:**
  - Select the appropriate bushing for your desired neck size.
  - Insert the bushing into the Type S Bushing Neck Die.
2. **Reloading Process:**
  - Place an empty case in the press and lower the handle to size the neck.
  - Remove the case and inspect it for proper sizing.
  - Repeat the process as necessary for additional cases.
3. **Decapping:**
  - Use the extra decapping pin provided to remove spent primers from cases as needed.
4. **Cleaning:**
  - After use, clean the die set with a soft cloth to remove any debris or residue.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the die set is damaged or no longer usable, follow local guidelines for disposing of metal and plastic components.
- Do not dispose of the die set in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the TYPE S BUSHING NECK DIE SETS REDDING 224 VALKYRIE BUSHING NECK DIE SET, please refer to the manufacturer's contact details provided in the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Please follow these guidelines carefully to ensure a safe and successful reloading experience.
