# Safety Instruction Guide for Redding 6.5 PRC Full Length Die Set

## Introduction

Thank you for choosing the Redding 6.5 PRC Full Length Die Set. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read and understand all sections before using the die set.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment and practices before using this product.
- Always handle all reloading components, including dies, with care to prevent accidents.
- Store the die set in a cool, dry place away from direct sunlight and moisture.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when operating reloading equipment.
- Follow the manufacturer's instructions for setting up and using the die set to avoid improper operation.
- Use the die set only for its intended purpose, which is to resize and seat bullets for the 6.5 PRC cartridge.
- Ensure that the die set is securely mounted to your reloading press before use.
- Avoid distractions while reloading to maintain focus and prevent mistakes.
- Do not exceed recommended powder loads or use incompatible components.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your reloading press is clean and free of debris.
- Attach the full length sizing die to the press following the manufacturer's instructions.
- Secure the die in place using the locking ring provided.
- Insert the standard seating die into the press and tighten securely.

### 2. Usage

- Adjust the sizing die according to the specifications for the 6.5 PRC cartridge.
- Insert the brass case into the shell holder and raise the ram to resize the case.
- For seating bullets, adjust the seating die to the desired overall length.
- Place a bullet on top of the charged case and raise the ram to seat the bullet.
- Inspect each completed round for proper seating and overall length.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the die set in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding 6.5 PRC Full Length Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and remain informed about best practices in reloading. Thank you for your attention to these important guidelines.
