Safety Instruction Guide for Redding 6.5 PRC Neck Sizing Die Set

Introduction

Thank you for purchasing the Redding 6.5 PRC Neck Sizing Die Set. This product is designed to assist in the reloading process of ammunition safely and effectively. It is essential to follow the safety guidelines outlined in this document to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all products are used according to the manufacturer's instructions.
- Regularly check for updates on recalls and safety notices via the EU's Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.
- Keep the product out of reach of children and vulnerable individuals.
- Always use protective equipment such as safety glasses and gloves when handling reloading components.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards associated with reloading ammunition, including:
 - Risk of personal injury from improper handling.
 - Risk of property damage from explosive reactions.
- **Safe Handling:**
 - Always handle dies and components with care.
 - Do not force any parts together; ensure they fit properly.
- **Work Environment:**
 - Use the die set in a wellventilated area.
 - Keep the work area clean and free of clutter.
- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted on a stable surface.
- Gather all necessary components and tools before beginning the setup.

2. Installing the Neck Die:

- Remove the Neck Sizing Die from its packaging.
- Insert the die into your reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent any movement during operation.

3. Using the Neck Sizing Die:

- Insert the appropriate cartridge case into the reloading press.
- Operate the press to size the neck of the cartridge case, ensuring that the decapping rod assembly and neck expander button function correctly.
- Inspect each case after sizing to ensure proper fit and function.

4. Using the Seating Die:

- Install the Seating Die in the same manner as the Neck Sizing Die.
- Place a bullet in the cartridge case and operate the press to seat the bullet at the desired depth.
- Check the crimp ring to ensure the bullet is crimped securely.

5. PostUse:

- Clean the dies after use to prevent corrosion and ensure longevity.
- Store the dies in a dry, safe location away from children.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste; follow hazardous waste disposal guidelines if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for more details.

By following these guidelines, you can ensure a safe and effective reloading experience with the Redding 6.5 PRC Neck Sizing Die Set. Thank you for your attention to safety.
