

# DELUXE 3-DIE SETS - REDDING 6.5MM PRC 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS

## REDDING 6.5MM PRC 3 DIE SET

### Introduction

Thank you for choosing the Redding Deluxe 3Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully and follow all instructions to ensure safe operation.

### General Safety Guidelines

- Ensure that all components are intact and undamaged before use.
- Store the die set in a cool, dry place away from direct sunlight.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Familiarize yourself with the reloading process and follow all manufacturer instructions for your specific equipment.
- Regularly inspect the dies for wear or damage. Replace any damaged components immediately.

### Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use of the die set can lead to personal injury or damage to your firearm.
- Always ensure that the dies are properly installed and secured in your reloading press.

- **Instructions for Avoiding Hazards:**

- Do not exceed recommended load specifications when reloading ammunition.
- Avoid using the die set for any purpose other than intended.
- Do not attempt to modify or alter the dies in any way.
- Keep your workspace clean and organized to prevent accidents.

- **Age or Audience Specific Warnings:**

- This product is intended for use by adults only. Minors should not handle or operate this equipment without adult supervision.

### Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is securely mounted and stable.
2. Select the appropriate die from the set: full length sizing die, standard seating die, or neck sizing die.
3. Install the die into the press according to the manufacturer's instructions.
4. Adjust the die to the correct position as specified in the reloading manual.

- **Usage:**

1. Always start with clean, dry brass cases.
2. Follow the reloading manual for specific load data and procedures.
3. Operate the press smoothly and steadily to avoid sudden movements.

4. After reloading, inspect each round for proper fit and function.
5. Store all ammunition safely and securely.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact your local waste disposal authority for proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please reach out to your local authorized dealer or manufacturer's representative.

Thank you for prioritizing safety while using the Redding Deluxe 3Die Set. Your careful attention to these guidelines will help ensure a safe and enjoyable reloading experience.
