Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING 6.5 PRC FULL LENGTH SIZING DIE

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 6.5 PRC FULL LENGTH SIZING DIE. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before using the die.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that children and pets are kept away from the reloading area.
- Do not exceed the recommended load specifications for your cartridges.
- Familiarize yourself with the specific hazards associated with reloading and the use of this die.

Specific Safety Precautions for Use

To minimize risks while using the FULL LENGTH SIZING DIES, observe the following precautions:

- Ensure the die is securely installed in the press before use.
- Do not force the die or the cartridge case into the sizing die.
- Regularly inspect the die for any signs of wear or damage. Replace if necessary.
- Use a headspace gauge when setting up the die to ensure proper sizing and safety.
- Always follow the manufacturer's instructions for operation and maintenance.
- Do not modify the die or use it for any purpose other than intended.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of the FULL LENGTH SIZING DIES REDDING 6.5 PRC FULL LENGTH SIZING DIE:

1. Installation

- Securely mount the reloading press on a stable workbench.
- Clean the die and ensure it is free from debris.
- Insert the die into the reloading press and tighten it according to the manufacturer's specifications.
- Attach the decapping assembly and expander ball as per the provided instructions.

2. Usage

- Prepare the cartridge case by cleaning it thoroughly to remove any dirt or residue.
- Place the cartridge case into the shell holder of the reloading press.
- Slowly raise the ram of the press to bring the cartridge case into contact with the die.
- Apply steady pressure to size the case fully. Do not rush this process.
- Once sized, lower the ram and remove the cartridge case.
- Inspect the sized case for proper dimensions and any signs of damage.

Disposal Instructions

Proper disposal of the FULL LENGTH SIZING DIES REDDING 6.5 PRC FULL LENGTH SIZING DIE is important for environmental safety:

- Do not dispose of the die in regular household waste.
- Check local regulations for the disposal of metal products.
- If the die is damaged beyond repair, consider recycling it at a designated recycling facility.

Contact Information for Further Support

For any inquiries or support regarding the FULL LENGTH SIZING DIES REDDING 6.5 PRC FULL LENGTH SIZING DIE, please refer to the manufacturer's contact information provided with the product.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience. Always prioritize safety and remain informed about best practices in reloading. Thank you for your attention to these important guidelines.
