

# MASTER HUNTER DELUXE CARBIDE DIE SETS - REDDING 26 NOSLER MH-C DELUXE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Master Hunter Die Sets were inspired by the success of our National Match Dies. Experienced hunters know that full length resizing is important when a high stress follow-up shot is needed in the “real world” of hunting. The Master Hunter “Deluxe” Die Sets now add the option of neck sizing for optimal on-the-range load development. Master Hunter “Deluxe” three (3) Die Set – combines the two Die Set with the addition of a Standard Neck Sizing Die.

# MASTER HUNTER DELUXE CARBIDE DIE SETS

## Safety Instruction Guide

### Introduction

Thank you for choosing the Master Hunter Deluxe Carbide Die Sets Redding 26 Nosler MHC Deluxe Die Set. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before use to understand the potential hazards and how to avoid them.

### General Safety Guidelines

- Always ensure that the die set is used in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Do not modify or alter the die set in any way.
- Ensure that your workspace is clean, organized, and free from distractions while using the die set.

### Specific Safety Precautions for Use

- Ensure that the die set is compatible with your firearm and ammunition type.
- Do not exceed the recommended load specifications as indicated by the manufacturer.
- Always use the die set in a wellventilated area to avoid inhalation of any dust or debris.
- Be cautious of hot surfaces; the die set may become hot during operation.
- Avoid direct contact with any sharp edges or points on the die set.
- Never leave the die set unattended while in use.
- Ensure that all safety mechanisms on your reloading equipment are engaged.

### Instructions for Installation and Usage

#### Installation

##### 1. Prepare Your Workspace:

- Clean and organize your work area.
- Ensure you have all necessary tools and equipment ready.

##### 2. Setting Up the Die:

- Secure the die set in the reloading press according to the manufacturer's instructions.
- Tighten all screws and fittings to ensure stability during use.

##### 3. Adjusting the Die:

- Follow the instructions for adjusting the die to the desired settings.
- Test the adjustment with dummy rounds before actual use.

#### Usage

##### 1. Loading Ammunition:

- Follow the recommended procedures for loading ammunition using the die set.
- Ensure that you are using the correct cartridges and components.

## **2. Resizing Cases:**

- Use the fulllength resizing die for optimal performance.
- If neck sizing, ensure the neck sizing die is correctly positioned.

## **3. Quality Control:**

- Inspect each round after loading to ensure they meet safety standards.
- Discard any rounds that show signs of damage or improper loading.

## **4. Cleaning After Use:**

- Clean the die set after each use to prevent residue buildup.
- Store the die set in a dry, secure location.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts of the die set in accordance with local regulations.
- Recycle materials where possible, following your local recycling guidelines.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please reach out through the appropriate channels. Always ensure that you are contacting a recognized authority or the manufacturer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Master Hunter Deluxe Carbide Die Sets. Always prioritize safety and responsible usage to enjoy your reloading activities.
