

MASTER HUNTER DELUXE CARBIDE DIE SETS - REDDING 6.5-284 WINCHESTER MH-C DELUXE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Master Hunter Die Sets were inspired by the success of our National Match Dies. Experienced hunters know that full length resizing is important when a high stress follow-up shot is needed in the “real world” of hunting. The Master Hunter “Deluxe” Die Sets now add the option of neck sizing for optimal on-the-range load development. Master Hunter “Deluxe” three (3) Die Set – combines the two Die Set with the addition of a Standard Neck Sizing Die.

MASTER HUNTER DELUXE CARBIDE DIE SETS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Master Hunter Deluxe Carbide Die Sets, specifically designed for the 6.5284 Winchester. This product is created with the utmost attention to safety and performance, ensuring that you have a reliable tool for your reloading needs. Please read this safety instruction guide thoroughly to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the workspace clean and free from clutter to avoid accidents.
- Store all reloading components, including dies, powder, and primers, out of reach of children and unauthorized individuals.
- Regularly check the product for signs of wear or damage. Do not use damaged dies.
- Be aware of the specific characteristics and requirements of the 6.5284 Winchester cartridge.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for setup and operation.
- Use the correct tools and equipment designed for reloading to avoid accidents.
- Do not exceed recommended load limits for the 6.5284 Winchester cartridge.
- Ensure that the die sets are properly secured in the reloading press before use.
- Avoid distractions while reloading to maintain focus and safety.
- If you are unsure about any aspect of the reloading process, seek guidance from experienced reloaders or consult reliable resources.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you have a clean, welllit area free from distractions.
2. **Gather Tools and Components:** Collect all necessary tools, including the Master Hunter Deluxe Die Set, reloading press, shell holder, and components (brass, primers, powder, bullets).
3. **Set Up the Reloading Press:** Follow the manufacturer's instructions to set up your reloading press. Ensure it is securely mounted to a stable surface.
4. **Install the Full Length Die:**
 - Thread the Full Length Die into the reloading press.
 - Adjust the die according to the manufacturer's instructions to achieve the desired sizing.
5. **Install the Neck Sizing Die:**
 - Thread the Neck Sizing Die into the reloading press.
 - Adjust the die for optimal neck sizing as per the manufacturer's guidelines.
6. **Install the Bullet Seating Die:**
 - Thread the Bullet Seating Die into the reloading press.
 - Set the die according to the desired bullet seating depth.

Usage

1. **Prepare the Brass:** Clean and inspect the brass cases for any damage or defects before reloading.
2. **Resize the Brass:**
 - Use the Full Length Die to resize the brass cases.

- Ensure the cases are properly lubricated to prevent sticking.
- 3. **Neck Size (if applicable):**
 - Use the Neck Sizing Die for cases that have been previously fired in your firearm.
- 4. **Prime the Cases:** Insert primers into the resized cases using a priming tool.
- 5. **Measure and Add Powder:** Use a scale to accurately measure the powder charge and add it to the primed cases.
- 6. **Seat the Bullets:** Use the Bullet Seating Die to seat the bullets to the desired depth.
- 7. **Inspect Completed Rounds:** Check each completed round for overall quality and consistency.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Recycle brass cases where possible, following local recycling guidelines.
- Do not dispose of hazardous materials, such as primers and powder, in regular trash. Consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Master Hunter Deluxe Die Sets, please refer to the manufacturer's contact information provided on the product packaging or official website.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Master Hunter Deluxe Carbide Die Sets. Always prioritize safety and consult experienced reloaders or experts when in doubt. Happy reloading!
