

MASTER HUNTER DELUXE CARBIDE DIE SETS - REDDING 260 REMINGTON MH-C DELUXE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Master Hunter Die Sets were inspired by the success of our National Match Dies. Experienced hunters know that full length resizing is important when a high stress follow-up shot is needed in the “real world” of hunting. The Master Hunter “Deluxe” Die Sets now add the option of neck sizing for optimal on-the-range load development. Master Hunter “Deluxe” three (3) Die Set – combines the two Die Set with the addition of a Standard Neck Sizing Die.

MASTER HUNTER DELUXE CARBIDE DIE SETS

REDDING 260 REMINGTON MHC DELUXE DIE SET

Safety Instruction Guide

Introduction

Thank you for choosing the Master Hunter Deluxe Carbide Die Sets Redding 260 Remington. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the die sets.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the die sets out of reach of children and untrained individuals to prevent accidents.
- Inspect the die sets for any damage or wear before each use. Do not use damaged equipment.
- Follow all manufacturer instructions and guidelines for safe operation.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the die sets only with compatible cartridges as specified (260 Remington).
- Ensure that your workspace is clean, dry, and well-lit to minimize the risk of accidents.
- Avoid distractions while using the die sets to maintain focus and precision.
- Do not exceed the recommended load specifications for your cartridges.
- Store the die sets in a secure location when not in use to prevent unauthorized access.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the die sets.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Choose a stable, flat surface to work on. Ensure that all necessary tools and materials are within reach.
2. **Assemble the Die Set:**
 - Carefully unpack the die set.
 - Follow the manufacturer's instructions to assemble the dies, ensuring that each component is securely attached.
3. **Install the Dies:**
 - Insert the fulllength resizing die into the reloading press as per the manufacturer's guidelines.
 - Follow with the neck sizing die, if applicable, ensuring it is properly adjusted.

Usage

1. **FullLength Resizing:**
 - Insert the cartridge case into the resizing die.
 - Operate the reloading press to resize the case according to the manufacturer's instructions.
2. **Neck Sizing (if applicable):**
 - Adjust the neck sizing die as needed for optimal fit.
 - Insert the cartridge case and operate the press to complete the neck sizing process.
3. **Final Inspection:**
 - Inspect the resized cases to ensure they meet specifications before loading.
 - Store the completed cartridges safely.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of die sets in regular household waste. Contact your local waste management authority for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Master Hunter Deluxe Carbide Die Sets, please refer to the manufacturer's contact information provided on the packaging or the official website.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). Your safety is our priority, and adhering to these guidelines will help ensure a safe and enjoyable experience with your Master Hunter Deluxe Carbide Die Sets.
