

MASTER HUNTER DELUXE CARBIDE DIE SETS - REDDING 22 NOSLER MH-C DELUXE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Master Hunter Die Sets were inspired by the success of our National Match Dies. Experienced hunters know that full length resizing is important when a high stress follow-up shot is needed in the “real world” of hunting. The Master Hunter “Deluxe” Die Sets now add the option of neck sizing for optimal on-the-range load development. Master Hunter “Deluxe” three (3) Die Set – combines the two Die Set with the addition of a Standard Neck Sizing Die.

MASTER HUNTER DELUXE CARBIDE DIE SETS

Safety Instruction Guide

Introduction

Thank you for choosing the Master Hunter Deluxe Carbide Die Sets. This guide provides essential safety instructions and information to ensure safe and effective use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the die set.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die set.
- Keep the die set and all related tools out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Handle all reloading components with care to avoid accidental ignition or discharge.
- Always work in a wellventilated area to minimize exposure to dust and fumes.
- Avoid distractions while operating the die set to maintain focus and safety.
- Store all materials and tools in a secure location when not in use.
- Be cautious of hot surfaces; some components may become hot during use.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Ensure your reloading press is securely mounted and stable.
- Remove the die set from the packaging and inspect for any damage.
- Install the fulllength resizing die into the press according to the manufacturer's instructions.
- Follow with the neck sizing die, ensuring it is tightened securely.
- Set the seating die in place, adjusting for your specific cartridge length.

2. Using the Die Set:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Lubricate the cases as recommended to prevent sticking in the die.
- Insert a brass case into the press and operate the handle to resize the case.
- Repeat the process for neck sizing as required.
- Finally, seat the bullet using the seating die, ensuring proper alignment.

3. PostUse Care:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a dry, secure location to prevent rust and damage.

Disposal Instructions

- Dispose of any damaged or worn components responsibly, following local waste disposal regulations.
- Do not throw away the die set or its components in regular household waste. Instead, check for local

recycling programs that accept metal or reloading components.

Contact Information for Further Support

For any questions or concerns regarding the Master Hunter Deluxe Carbide Die Sets, please refer to the manufacturer's website or contact your local distributor for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Master Hunter Deluxe Carbide Die Sets. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety measures.
