

BUSHING FULL LENGTH DIES - L.E. WILSON 300 REMINGTON SAUM BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

BUSHING FULL LENGTH DIES L.E. WILSON 300 REMINGTON SAUM BUSHING FULL LENGTH DIE Safety Instructions Guide

Introduction

Thank you for purchasing the Bushing Full Length Dies by L.E. Wilson. This guide provides essential safety instructions and usage information to ensure your safe and effective use of this product. Please read through the entire guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions. This die is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall is issued, follow the guidelines provided for safe return or remedy.
- **Online Shopping Protections:** If purchased online, ensure that the seller meets safety requirements, just as physical stores do.
- **Special Consumer Focus:** Keep this product out of reach of children and any vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:** Handle the die with care to avoid injuries from sharp edges. Ensure that the die is securely attached to the reloading press before use.
- **Avoiding Hazards:** Always wear safety glasses when reloading ammunition. Keep hands and other body parts clear of moving parts during operation. Do not exceed the recommended load specifications for the die.
- **Age-Specific Warnings:** This product is intended for use by adults only. Ensure that minors do not handle or use this product without supervision.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is on a stable surface.
2. Attach the bushing full length die to the reloading press using the standard 7/8ths thread.
3. Adjust the die to the desired depth using the adjustable decapping rod.
4. Secure the die in place with the L.E. Wilson manufactured lock nut.

- **Usage:**

1. Insert a case into the reloading press.
2. Lower the ram to size the case neck and body simultaneously.
3. Adjust the neck tension by changing the interchangeable bushing (sold separately).
4. After sizing, carefully remove the case from the press.
5. Inspect the sized cases for any irregularities before proceeding with reloading.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, refer to local recycling programs or hazardous waste disposal services.

Contact Information for Further Support

For any questions or concerns regarding the Bushing Full Length Dies, please refer to the manufacturer's contact details provided with your product.

Thank you for using the Bushing Full Length Dies by L.E. Wilson. Your safety is our priority. Please follow all instructions carefully to ensure a safe and successful reloading experience.
