

BUSHING FULL LENGTH DIES - L.E. WILSON 338 LAPUA MAGNUM

BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 338 LAPUA MAGNUM

Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 338 LAPUA MAGNUM. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.
- Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Ensure your workspace is clean and free from clutter to avoid accidents.
- Do not exceed the recommended specifications for the dies and the reloading process.
- Use only compatible components and accessories with the BUSHING FULL LENGTH DIES.
- Avoid using the dies if they show signs of damage or wear.
- Do not modify the dies or use them for purposes other than intended.

Instructions for Installation and Usage

Installation

1. Prepare Your Reloading Press:

- Ensure that your reloading press is compatible with 7/8ths reloading dies.
- Clean the press to remove any debris or residue.

2. Install the Die:

- Thread the BUSHING FULL LENGTH DIE into the reloading press.
- Use the lock nut to secure the die in place, ensuring it is tightened to prevent movement during use.

3. Adjust the Decapping Rod:

- Adjust the depth of the decapping rod according to your needs. Ensure it is securely fastened.

Usage

1. Sizing the Case:

- Insert the case into the die and ensure it is properly aligned.
- Operate the press to size the case neck and body simultaneously.

2. Neck Tension:

- Adjust the neck bushing (sold separately) to achieve your desired neck tension.
- Ensure you use LE Wilson Neck bushings or compatible Redding bushings.

3. PostUse Inspection:

- After use, inspect the dies for any signs of wear or damage.
- Clean the dies to maintain their performance and longevity.

Disposal Instructions

- Dispose of any used components or materials in accordance with local regulations.
- Ensure that used dies and parts are not accessible to children or pets.
- Do not dispose of the product in household waste; check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please contact the designated EUbased contact for assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with the BUSHING FULL LENGTH DIES L.E. WILSON 338 LAPUA MAGNUM. Thank you for your attention to safety and responsible use.
