

BUSHING FULL LENGTH DIES - L.E. WILSON 7MM REMINGTON SAUM BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 7MM REMINGTON SAUM

Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 7MM REMINGTON SAUM. This guide provides essential safety instructions to ensure the safe and effective use of your reloading die. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that you understand how to use this product safely. This die is designed for reloading ammunition and should only be used by individuals who are familiar with reloading practices.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive notice of a recall, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check for updates on the EU's Safety Gate platform for information on unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Before using the die, thoroughly read and understand all instructions and safety warnings.
- **Protective Gear:** Always wear appropriate protective gear, such as safety glasses, to protect your eyes from potential debris during reloading.
- **Work Area:** Ensure your work area is clean, welllit, and free from distractions. Keep all tools and materials organized.
- **Inspect Equipment:** Before use, inspect the die and related equipment for any signs of damage or wear. Do not use damaged equipment.
- **Store Properly:** Store the die in a safe place when not in use. Ensure it is secured and out of reach of children.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's specifications and guidelines for use, including the recommended materials and techniques.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is stable and securely mounted.
- Select the appropriate bushing for the desired neck tension. Note that neck bushings are sold separately.

2. Installation:

- Insert the die into the reloading press.
- Tighten the lock nut securely to prevent movement during operation.
- Adjust the decapping rod to the desired depth for your specific case.

3. Usage:

- Place the case in the shell holder of the reloading press.
- Pull the handle to size the case neck and body simultaneously.
- After sizing, inspect the case to ensure proper sizing and neck tension.
- Repeat the process for additional cases as needed.

4. Cleaning and Maintenance:

- After use, clean the die with a soft cloth to remove any debris or residue.
- Store the die in a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable dies according to local regulations.
- Do not dispose of in household waste. Check with local authorities for proper disposal methods for metal products.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have the latest information regarding product safety and usage.

By following these guidelines, you can ensure a safe and effective reloading experience with your BUSHING FULL LENGTH DIES L.E. WILSON 7MM REMINGTON SAUM. Thank you for your attention to safety.
