ATIP SEATING DIE STEMS 30 CALIBER ATIP 230/250GR SEATING STEM Safety Instruction Guide

Introduction

Thank you for choosing the Hornady ATip Match Bullet Seating Stems. Designed to provide precise alignment for ATip Match bullets, these seating stems ensure safe and effective use when reloading. This guide provides essential safety instructions and guidelines to help you use this product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure you are familiar with the proper handling and storage of ammunition components.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the seating stems only with Hornady Bullet Seating Dies.
- Avoid using the seating stems with damaged or improperly sized bullets.
- Ensure the workspace is clean and free from distractions when using the seating stems.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when reloading.
- Do not exceed the recommended load specifications for the bullets you are using.
- Handle all ammunition components with care to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Hornady Bullet Seating Die is clean and free from debris.
- Remove the existing seating stem from the die, if applicable.
- Carefully install the ATip Seating Stem by threading it into the die until securely fastened.
- Adjust the seating stem to the desired depth according to your reloading specifications.

2. Usage:

- Place the bullet into the case mouth, ensuring proper alignment.
- Operate the reloading press slowly to allow for precise seating of the bullet.
- Monitor the seating process closely to ensure the bullet is seated correctly.
- After seating, inspect the cartridge to ensure proper bullet alignment and depth.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ATip Seating Die Stems, please refer to the manufacturer's contact information or visit their website for additional resources and support.

Thank you for your attention to these safety guidelines. Using the Hornady ATip Match Bullet Seating Stems responsibly will enhance your reloading experience while ensuring safety for you and others.
