

284 WINCHESTER BRASS - PETERSON CARTRIDGE 284 WINCHESTER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

At Peterson Cartridge, when we set out to develop tooling to make a new caliber, we come up with a code name for our CAD drawings and tool markings so others don't know what caliber we are working on. The code name we chose for the .284 Win was COMEBACK. Introduced by Winchester in 1963, the .284 Win had some initial popularity, but never really took off ... until recently. Now it is becoming a favorite of long-range competitive shooters. The .284 is making a COMEBACK.

Attributes

- Name: [PETERSON CARTRIDGE 284 WINCHESTER BRASS 50/BOX](#)

Safety Instruction Guide for 284 Winchester Brass Peterson Cartridge

Introduction

Thank you for choosing the 284 Winchester Brass from Peterson Cartridge. This guide provides essential safety instructions to ensure the safe handling and usage of this product. Please read this guide carefully before using the cartridge.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store cartridges in a cool, dry place away from direct sunlight.
- Keep cartridges out of reach of children and unauthorized persons.
- Be aware of the legal regulations regarding ammunition in your country or region.
- Inspect cartridges for any signs of damage or defects before use.
- Use only in firearms that are specifically designed for the .284 Winchester caliber.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not load the firearm until you are ready to shoot.
- Never exceed the recommended load specifications for the .284 Winchester caliber.
- Be cautious of your surroundings and ensure a clear shooting area.
- Do not attempt to modify or disassemble the cartridge.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Open the action of the firearm.
- Insert the 284 Winchester Brass cartridge into the chamber or magazine as per the manufacturer's instructions.
- Close the action securely.

2. Firing the Firearm:

- Once loaded, take aim and ensure the target area is clear.
- Off the safety mechanism only when ready to fire.
- Squeeze the trigger gently to fire.

3. Unloading the Firearm:

- Point the firearm in a safe direction.
- Open the action to remove any cartridges.
- Check the chamber to ensure it is empty.

4. Cleaning After Use:

- Follow the firearm manufacturer's recommendations for cleaning.
- Ensure that all spent cartridges are disposed of properly.

Disposal Instructions

- Dispose of spent cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash; check for local recycling programs or hazardous waste disposal options.
- Store unused cartridges in their original packaging until they can be used or disposed of properly.

Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the contact information provided on the product packaging or your retailer. It is important to reach out for assistance if you have any questions regarding the safe use of this product.

Thank you for following these safety instructions. Your cooperation ensures a safe and enjoyable shooting experience.
