

WILSON CASE GAGE - L.E. WILSON 6.5 PRC CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

Attributes

- Name: [L.E. WILSON 6.5 PRC CASE GAGE](#)
- Manufacturer: [L.E. WILSON, INC.](#)
- Product no.: 749018853
- Mfr. No.: CG-65PRC
- Cartridge: 6.5 PRC
- Delivery weight: 0.091kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 89mm
- UPC: 815145027320

WILSON CASE GAGE L.E. WILSON 6.5 PRC CASE GAGE Safety Instruction Guide

Introduction

Thank you for choosing the WILSON CASE GAGE L.E. WILSON 6.5 PRC CASE GAGE. This product is designed to assist you in achieving precise measurements for your cartridge cases, ensuring safe and effective reloading practices. This guide provides important safety information, usage instructions, and contact information for support.

General Safety Guidelines

- Ensure you read and understand all safety instructions before using the product.
- Use the case gage only for its intended purpose, which is measuring cartridge cases.
- Keep the case gage out of reach of children and vulnerable individuals.
- Regularly inspect the case gage for any signs of damage or wear before use.
- If the case gage is damaged or malfunctioning, discontinue use immediately.
- Store the case gage in a safe, dry place when not in use to prevent damage.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the case gage.
- Avoid using the case gage in wet or humid environments to prevent rust and corrosion.
- Do not exceed the recommended specifications for cartridge case measurements.
- Be cautious when handling sharp tools or equipment used in conjunction with the case gage.
- Ensure that your workspace is clean and organized to minimize the risk of accidents.

Instructions for Installation and Usage

1. Setting Up the Gage:

- Place the case gage on a stable, flat surface.
- Ensure that the gage is clean and free of debris.

2. Measuring Cartridge Cases:

- Insert the cartridge case into the gage until it is fully seated.
- Use a caliper to measure the headspace and overall length of the case.
- Check the measurements against the specifications for your cartridge.

3. Adjusting for Belted Magnums:

- If using the adjustable style for belted magnums, ensure the belt is properly aligned.
- Regularly check the shoulder area of the case to avoid oversizing.

4. Trimming and Adjusting:

- If the overall length indicates a need for trimming, use appropriate trimming tools.
- Always follow the manufacturer's guidelines for trimming to maintain safety and performance.

Disposal Instructions

- Dispose of the case gage in accordance with local regulations regarding electronic waste and metal

recycling.

- If the case gage is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the WILSON CASE GAGE L.E. WILSON 6.5 PRC CASE GAGE, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries or product issues.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the WILSON CASE GAGE L.E. WILSON 6.5 PRC CASE GAGE. Always prioritize safety and proper usage to achieve the best results in your reloading practices. Thank you for choosing our product.
