

# RIFLE CASE HOLDERS - L.E. WILSON 6.5MM PRC FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 6.5MM PRC Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 6.5MM PRC Fired Case Holder. This product is designed to hold rifle cases securely during trimming, primer pocket reaming, neck reaming, and deburring. Please read this safety instruction guide carefully to ensure safe and effective use of the case holder.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the case holder for any signs of damage or wear before use. Do not use if damaged.
- Keep the case holder out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearms and ammunition handling.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the case holder.
- Ensure that the rifle case is properly positioned and secured in the holder before performing any trimming or reaming operations.
- Do not exceed the recommended trimming or reaming limits for the case holder.
- Avoid using the case holder with cases that have not been properly sized or are damaged.
- Be aware of your surroundings and ensure that no one is within reach of the equipment while in use.

## Instructions for Installation and Usage

### 1. Installation

- Place the L.E. Wilson 6.5MM PRC Fired Case Holder on a stable, flat surface.
- Ensure that the trimmer or reaming tool is properly attached to the holder according to the manufacturer's instructions.
- Confirm that the case holder is securely fastened and ready for use.

### 2. Using the Case Holder

- Insert the fired case into the holder, ensuring it is fully seated.
- If using a NEW case holder, ensure you are working with new, unfired brass or cases that have been fulllength sized.
- For necksized cases, ensure the holder is designated for use with such cases.
- Begin trimming or reaming, maintaining a steady hand and following the tool's operational guidelines.
- After use, carefully remove the case from the holder.

## Disposal Instructions

- Dispose of the case holder in accordance with local regulations.
- Do not dispose of the case holder in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson 6.5MM PRC Fired Case Holder, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using your L.E. Wilson Rifle Case Holder.
