Safety Instruction Guide for the Wilson Case Trimmer Kit

Introduction

Thank you for choosing the Wilson Case Trimmer Kit with Standard Stop. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the trimmer kit to avoid any potential hazards.

General Safety Guidelines

- **Product Safety:** Always ensure you use the Wilson Case Trimmer Kit as intended. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, you will receive clear instructions on how to proceed.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations and offers the same protections as physical stores.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trimmer kit.
- Ensure the work area is clean, dry, and welllit to prevent accidents.
- Do not operate the trimmer kit if you are fatigued or under the influence of drugs or alcohol.
- Keep hands and loose clothing away from moving parts during operation.
- Use the trimmer kit only for its intended purpose—trimming case lengths.
- Do not modify the trimmer kit or use unauthorized accessories.
- Inspect the trimmer kit before each use to ensure it is in good working condition.
- If you notice any damage or malfunction, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove the trimmer kit from the packaging, ensuring all components are included (stand, clamp, and trimmer).
2. **Assemble the Stand:** Follow the assembly instructions provided in the kit. Ensure all screws and fittings are secure.
3. **Attach the Clamp:** Securely attach the clamp to the stand, ensuring it is positioned correctly for use.
4. **Install the Trimmer:** Attach the trimmer to the stand according to the instructions. Verify that it is firmly in place.

Usage

1. **Prepare the Cases:** Select the cases you wish to trim. Ensure they are clean and free from debris.
2. **Adjust the Stop Screw:** Make any necessary adjustments to the stop screw to set the desired case length.
3. **Secure the Case:** Place the case in the clamp and tighten it securely.
4. **Trim the Case:** Carefully operate the trimmer, applying steady pressure. Do not force the trimmer; let it

do the work.

5. **Inspect the Trimmed Case:** After trimming, check the case for uniformity and ensure it meets your specifications.

Disposal Instructions

- Dispose of packaging materials responsibly, following local recycling guidelines.
- If the trimmer kit reaches the end of its life, dispose of it according to local waste management regulations.
- Do not dispose of the product in household waste. Check for local electronic waste disposal programs.

Contact Information for Further Support

For any inquiries regarding the Wilson Case Trimmer Kit, please refer to the contact information provided by the retailer or manufacturer. Always ensure you have the product details on hand when seeking assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with the Wilson Case Trimmer Kit. Thank you for prioritizing safety in your use of this product.
