Safety Instruction Guide for the Wilson Case Trimmer Kit with Micro Adjust Kit

Introduction

Thank you for choosing the Wilson Case Length Micro Trimmer Kit. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of the product. Please read this guide carefully before using the trimmer kit.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the trimmer kit out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Ensure a clean and stable working environment to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Be aware of your surroundings and avoid distractions while using the product.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the trimmer kit with care to avoid cuts or injuries from sharp edges.
- Ensure that the micrometer adjustment is securely locked before trimming.
- Do not attempt to trim cases that are not within the specified caliber range of .17 to .45.
- Avoid placing fingers near the cutting area when operating the trimmer.
- Do not modify the product in any way, as this may compromise safety.
- Use the provided stand and clamp to secure the trimmer during operation.
- Always store the trimmer kit in a safe place when not in use.

Instructions for Installation and Usage

1. Unboxing the Trimmer Kit

- Carefully remove the trimmer kit from the packaging.
- Check that all components (trimmer, stand, clamp, and micrometer adjustment) are included.

2. Setting Up the Trimmer

- Place the stand on a stable surface.
- Attach the trimmer securely to the stand using the provided clamp.
- Ensure that the trimmer is level and stable before proceeding.

3. Adjusting the Micrometer

- Use the micrometer adjustment to set the desired trimming length.
- Lock the adjustment in place to prevent movement during operation.

4. Trimming Cases

- Place the case securely in the trimmer.
- Activate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process and remove the case once complete.

5. PostUse Care

- Clean the trimmer after each use to remove debris and prevent buildup.
- Store the trimmer kit in a dry, safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or further support regarding the Wilson Case Trimmer Kit, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Wilson Case Trimmer Kit. Thank you for your attention to safety and proper usage.
