

# BUSHING FULL LENGTH DIES - L.E. WILSON 6.5 PRC BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Made from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

## Attributes

- Name: [L.E. WILSON 6.5 PRC BUSHING FULL LENGTH DIE](#)

# Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 6.5 PRC

## Introduction

Thank you for choosing the Bushing Full Length Dies by L.E. Wilson. This product is designed for reloading ammunition and allows you to achieve precise neck tension while resizing your cases. This safety instruction guide provides essential information to ensure safe and effective use of the die. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the workspace clean and organized to avoid accidents.
- Store the dies in a safe, dry place away from children and pets.
- Regularly inspect the dies for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the die with compatible reloading presses. The die is designed for standard 7/8ths reloading presses.
- Do not exceed the recommended specifications for the die to avoid potential hazards.
- Use only interchangeable bushings that are designed for this die. While L.E. Wilson bushings are recommended, Redding bushings may also fit.
- Avoid using the die if you notice any irregularities or defects.
- Be cautious when adjusting the decapping rod and ensure it is securely in place before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the die into the reloading press by threading it into the press's die holder.
- Ensure the die is tightened properly to prevent movement during use.
- Insert the adjustable depth decapping rod into the die and adjust it according to your specifications.

### 2. Usage:

- Prepare the cases by cleaning them thoroughly to remove any dirt or debris.
- Insert the case into the die and raise the ram of the press to size the neck and body of the case.
- Adjust the depth of the decapping rod as needed to achieve the desired neck tension.
- After sizing, remove the case and inspect it for proper sizing and any signs of damage.

## Disposal Instructions

- Dispose of any used or damaged dies according to local regulations.
- Do not dispose of dies in regular household waste. Instead, contact local recycling centers or hazardous waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the Bushing Full Length Dies L.E. Wilson 6.5 PRC, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.  
Happy reloading!
