

# BUSHING FULL LENGTH DIES - L.E. WILSON 6MM ARC BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Made from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

# Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 6MM ARC

## Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 6MM ARC. This product is designed to provide you with highquality performance in reloading ammunition. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always handle reloading equipment with care and follow all safety protocols.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the product out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, during use.
- Be aware of your surroundings and ensure that no one is in close proximity while reloading.
- Regularly inspect the die for any signs of wear or damage before use.
- Always consult the manufacturer's specifications and guidelines for best practices.

## Specific Safety Precautions for Use

- Before using the die, ensure that your reloading press is securely mounted and stable.
- Do not exceed the recommended specifications for the die or the ammunition you are reloading.
- Use only compatible neck bushings as specified by the manufacturer.
- Avoid using the die if it appears damaged or if components are missing.
- Follow the manufacturer's instructions for adjusting the decapping rod and other components.
- Do not modify the die or use it for purposes other than intended.
- Store the die in a safe and dry location when not in use to prevent rust or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the BUSHING FULL LENGTH DIE, reloading press, and compatible neck bushings.

### 2. Installation:

- Securely attach the die to your reloading press using the provided lock nut.
- Ensure the thickness of the lock nut is adjusted to .225" from inside to outermost edge.

### 3. Adjusting the Decapping Rod:

- Adjust the depth of the decapping rod according to your reloading needs.
- Ensure the decapping punch is securely in place.

### 4. Reloading Process:

- Insert the case into the die and ensure it is properly aligned.
- Operate the reloading press to size the case neck and body simultaneously.
- Monitor the neck tension and adjust as needed by changing the neck bushing.

### 5. PostUse Care:

- Clean the die after use to remove any residue or debris.
- Store the die in its original packaging or a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable components according to local regulations.
- Do not throw away the die in regular trash if it is still functional; consider donating it or recycling it if possible.
- Follow local guidelines for the disposal of metal and plastic materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BUSHING FULL LENGTH DIES L.E. WILSON 6MM ARC, please refer to the manufacturer's contact information or consult your retailer.

By following these guidelines, you can ensure a safe and effective reloading experience with your BUSHING FULL LENGTH DIES L.E. WILSON 6MM ARC. Enjoy your reloading and stay safe!
