# Safety Instruction Guide for L.E. Wilson 50 Caliber Decapping Pin & Base Set

## Introduction

Thank you for choosing the L.E. Wilson 50 Caliber Decapping Pin & Base Set. This product is designed to safely and effectively decap primers from 50 caliber cases. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

## General Safety Guidelines

- Always use the product in a wellventilated area to minimize exposure to any potential fumes or dust.
- Keep the decapping pin and base set out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition and free from damage.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the decapping pin and base set.
- Avoid contact with the decapping pin during operation to prevent injury.
- Ensure that the case is securely positioned before attempting to decap the primer.
- Do not apply excessive force when using the decapping pin; if resistance is encountered, stop and inspect the setup.
- Handle the decapping pin with care to avoid bending or breaking it.
- Store the product in a safe and dry location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the L.E. Wilson 50 Caliber Decapping Pin & Base Set and the 50 caliber cases you intend to decap.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Insert the decapping pin into the base securely.
- Ensure that the pin is properly aligned and tightened to prevent movement during use.

### 3. Usage:

- Place the 50 caliber case on a stable surface.
- Align the decapping pin with the primer in the case.
- Apply gentle pressure to the decapping pin to push out the primer. Ensure the case is stable during this process.
- Once the primer is removed, inspect the case for any damage before proceeding to the next one.

### 4. PostUsage:

- Clean the decapping pin and base set after use to prevent residue buildup.

- Store the product in its original packaging or a safe container to protect it from damage.

## **Disposal Instructions**

- Dispose of any used primers and materials in accordance with local regulations for hazardous waste.
- The L.E. Wilson 50 Caliber Decapping Pin & Base Set is made of stainless steel and can be recycled. Check with local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson 50 Caliber Decapping Pin & Base Set, please consult the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson 50 Caliber Decapping Pin & Base Set. Thank you for your attention to safety.
