

# STAINLESS NECK SIZING DIES - L.E. WILSON 6 BRX BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\*** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instructions for STAINLESS NECK SIZING DIES L.E. WILSON 6 BRX BUSHING NECK SIZING DIE

## Introduction

Thank you for choosing the STAINLESS NECK SIZING DIES L.E. WILSON 6 BRX BUSHING NECK SIZING DIE. This product is designed to allow users to control and adjust the neck sizing of cartridge cases effectively. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the die.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- Keep the work area clean and welllit to prevent accidents.
- Ensure that all tools and equipment are in good condition before use.
- Store the die and all accessories in a secure location, away from children and pets.
- Familiarize yourself with the product and its components before attempting to use it.
- Do not use the die for any purpose other than its intended use as specified in this guide.

## Specific Safety Precautions for Use

- **Avoid Oversizing:** Ensure you do not exceed the recommended sizing limits to prevent damage to the cartridge case.
- **Check for Debris:** Before using the die, inspect it for any debris or foreign objects that could affect performance.
- **Use with Arbor Press:** This die is designed specifically for use with an Arbor Press. Do not attempt to use it with any other type of press.
- **Bushings Not Included:** Remember that sizing bushings are not included with the die and must be purchased separately.
- **Decapping Rod Caution:** The die includes a decapping rod. Handle it with care to avoid injury.

## Instructions for Installation and Usage

### 1. Set Up Your Work Area:

- Ensure your workbench is stable and free of clutter.
- Gather all necessary tools and components, including the die, Arbor Press, and sizing bushings.

### 2. Install the Die:

- Secure the die into the Arbor Press according to the manufacturer's instructions.
- Ensure that the die is properly aligned to avoid misalignment during operation.

### 3. Select and Install the Sizing Bushing:

- Choose the appropriate sizing bushing for your cartridge case.
- Insert the bushing into the die following the manufacturer's guidelines.

### 4. Prepare the Cartridge Case:

- Clean the cartridge case thoroughly before sizing to ensure optimal performance.
- Inspect the case for any damage or deformities.

## 5. Size the Cartridge Case:

- Place the cartridge case into the die.
- Operate the Arbor Press to size the neck of the cartridge case to a distance of 3/16" from the mouth end.
- Repeat as necessary for additional cases.

## 6. PostUse Care:

- Remove the cartridge case from the die carefully.
- Clean the die and bushing after each use to maintain performance and longevity.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Avoid disposing of the die in regular household waste. Check for local recycling programs that accept metal products.
- Ensure that all packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase. You can also consult the EU's Safety Gate platform for updates on product safety and recalls.

By following these guidelines, you can ensure a safe and effective experience with your STAINLESS NECK SIZING DIES L.E. WILSON 6 BRX BUSHING NECK SIZING DIE. Thank you for your attention to safety.
