Safety Instruction Guide for EXPANDING MANDRELS L.E. WILSON 33 CALIBER (0.337) EXPANDING MANDREL

Introduction

Thank you for choosing the L.E. Wilson Expanding Mandrel. This product is designed to prepare new brass cases for the seating operation, ensuring a consistent neck diameter and improved seating depth. This guide provides essential safety instructions to ensure the safe and effective use of this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the mandrel.
- Ensure that the work area is clean and free from obstructions.
- Only use the mandrel with compatible brass cases.
- Do not exceed the recommended neck tension settings to prevent case damage.
- Avoid using the mandrel if it shows any signs of damage or wear.
- Follow all manufacturer recommendations for maintenance and care.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and welllit.
- Gather all necessary tools and materials, including the mandrel and brass cases.

2. Installation:

- Insert the mandrel into the appropriate die setup.
- Ensure it is securely fastened to prevent movement during operation.

3. Usage:

- Place the new brass case onto the mandrel.
- Apply even pressure to expand the case neck as per the recommended specifications.
- Monitor the neck tension to ensure it remains within safe limits.
- Remove the case from the mandrel once the expansion is complete.

4. PostUsage:

- Inspect the mandrel and cases for any signs of wear or damage.

- Clean the mandrel after each use to maintain its effectiveness.

Disposal Instructions

- Dispose of any damaged or wornout mandrels in accordance with local regulations.
- Recycle brass cases whenever possible to minimize environmental impact.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the L.E. Wilson Expanding Mandrel, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and effective experience with the L.E. Wilson Expanding Mandrel. Thank you for your attention to safety and compliance.
