

# WILSON CASE GAGE - L.E. WILSON 303 SAVAGE CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder. SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [L.E. WILSON 303 SAVAGE CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749018914
- Mfr. No.: CG-303S
- Cartridge: 303 Savage
- Delivery weight: 0.179kg
- Shipping height: 29mm
- Shipping width: 32mm
- Shipping length: 83mm
- UPC: 857949005647

# Safety Instruction Guide for WILSON CASE GAGE L.E. WILSON 303 SAVAGE CASE GAGE

## Introduction

Thank you for choosing the WILSON CASE GAGE L.E. WILSON 303 SAVAGE CASE GAGE. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the cartridge case gage is used in accordance with the manufacturer's instructions.
- Always handle the gage with care to avoid damage and ensure accurate measurements.
- Keep the gage out of reach of children and vulnerable individuals.
- Inspect the gage regularly for signs of wear or damage. Do not use if damaged.
- Use the gage only for its intended purpose, which is measuring cartridge cases.
- Store the gage in a dry, safe place when not in use.

## Specific Safety Precautions for Use

- Before using the gage, familiarize yourself with its components and functions.
- Always wear safety glasses when handling and measuring cartridge cases to protect your eyes from debris.
- Ensure that your workspace is clean and free of obstructions to avoid accidents.
- Do not exceed the manufacturer's specifications for measurement and resizing.
- Be cautious when using sharp tools or instruments in conjunction with the gage.

## Instructions for Installation and Usage

### 1. Preparing the Gage:

- Remove the gage from its packaging.
- Inspect the gage for any visible damage or defects.

### 2. Setting Up the Gage:

- Place the gage on a stable, flat surface.
- Ensure that you have a caliper available for accurate measurement.

### 3. Measuring Cartridge Cases:

- Insert the cartridge case into the gage.
- Use a caliper to measure the headspace and overall length of the cartridge case.
- Check for any need for trimming or resizing based on the measurements obtained.

### 4. Adjusting for Different Cases (for Adjustable Style):

- If using the adjustable style for belted mags, ensure that the belt is properly aligned for accurate headspace measurement.
- Minimize resizing at the shoulder to prolong the life of the case.

### 5. PostUse Care:

- Clean the gage after each use to remove any debris or residue.

- Store the gage in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of the gage in accordance with local regulations regarding electronic waste and metal products.
- If the gage is damaged beyond repair, ensure that it is disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the WILSON CASE GAGE L.E. WILSON 303 SAVAGE CASE GAGE, please refer to the manufacturer's customer service or support resources.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your WILSON CASE GAGE L.E. WILSON 303 SAVAGE CASE GAGE. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) when using this product. Thank you for your attention to these important safety measures.
