Safety Instruction Guide for CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES 6MM CREEDMOOR FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to resize rifle cartridges specifically for the 6mm Creedmoor.
- Always use the die in a wellventilated area to avoid inhaling any dust or particles generated during the reloading process.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of reloading equipment and components.
- Report any unsafe conditions or accidents immediately to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Ensure that the reloading press is securely mounted and stable before using the sizing die.
- Avoid overtightening the die in the press, which can cause damage to both the die and the press.
- When resizing cartridges, ensure that the shell holder is properly aligned with the die to prevent misfires or damage.
- Never attempt to modify or alter the die in any way. This can compromise its safety and performance.
- Be cautious when handling any lubricants used in the resizing process. Follow the manufacturer's instructions for safe use.

Instructions for Installation and Usage

1. Installation

- Clean the die and remove any protective oil or residue before installation.
- Insert the die into the reloading press, ensuring it is securely fastened.
- Adjust the die to the desired position according to the manufacturer's instructions.

2. Usage

- Prepare your brass cartridges by cleaning and inspecting them for any damage.
- Apply a suitable lubricant to the cases to facilitate smooth resizing.
- Place the cartridge into the shell holder and ensure it is seated correctly.
- Pull the handle of the reloading press to resize the cartridge. Ensure smooth operation without excessive force.
- Inspect the resized cartridge for proper dimensions and any signs of damage.
- Repeat the process for each cartridge as needed.

Disposal Instructions

- Dispose of any used or damaged cartridges in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check for local hazardous waste disposal options.
- Ensure that any packaging material from the die and components is recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries or issues regarding the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's website or customer service for assistance.

This safety instruction guide is designed to help you use the Hornady Custom Grade Full Length Sizing Die safely and effectively. Always prioritize safety and follow the guidelines provided. Happy reloading!
