## **22 NOSLER FULL LENGTH DIE Safety Instructions**

### **Introduction**

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This product is designed for precision and durability, ensuring a safe and effective reloading experience. Please read this safety instruction guide carefully to understand how to use this product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

### **General Safety Guidelines**

- Always handle reloading equipment with care and follow all safety instructions.
- Ensure that your workspace is clean and organized to prevent accidents.
- Keep the die and other reloading components out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Regularly inspect the die for wear or damage before use.
- Store the die in a secure location when not in use.
- Report any unsafe products or accidents to relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Ensure the die is compatible with 22 Nosler cartridges before use.
- Read the manufacturer's instructions thoroughly before beginning the reloading process.
- Do not exceed recommended loads as specified in reliable reloading manuals.
- Avoid distractions while reloading to maintain focus and safety.
- Use the die only for its intended purpose; do not modify or alter it.
- If you experience any difficulties during reloading, stop and seek assistance or consult the manufacturer's support.

### **Instructions for Installation and Usage**

#### **1. Installation:**

- Ensure that your reloading press is securely mounted and stable.
- Clean the die before installation to remove any debris.
- Screw the Custom Grade Full Length Sizing Die into the reloading press, ensuring it is tightly secured.
- Adjust the die according to the specifications for 22 Nosler cartridges.

#### **2. Usage:**

- Prepare your workspace by laying out all necessary materials.
- Follow these steps for reloading:
  - Insert an empty 22 Nosler cartridge case into the shell holder of the reloading press.
  - Raise the ram to bring the cartridge case into contact with the die.
  - Adjust the die to achieve the desired sizing.
  - Lower the ram and remove the resized cartridge case.
  - Repeat the process for additional cases as needed.
- Always keep your hands and face clear of moving parts during operation.

## Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- If the die becomes damaged or is no longer usable, contact your local waste management authority for proper disposal methods.
- Do not dispose of the die in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's support resources. Ensure you have the product details at hand when seeking assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady Custom Grade Full Length Sizing Die. Thank you for prioritizing safety in your reloading practices.
