LOCKNLOAD MODIFIED CASES 6MM CREEDMOOR MODIFIED CASE Safety Instructions

Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 6MM CREEDMOOR MODIFIED CASE. This product is designed to assist with precise bullet seating depth measurements using the Hornady LockNLoad Gauge. To ensure your safety and the optimal performance of this product, please read and follow all safety instructions outlined in this guide.

General Safety Guidelines

- Always handle modified cases with care to prevent accidents.
- Ensure that the product is used only for its intended purpose.
- Keep modified cases out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of ammunition and reloading equipment.
- Be aware of potential hazards associated with the use of reloading tools and components.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the modified cases are compatible with your specific firearm and reloading setup. Modified cases will not work in tight neck chambers.
- **Custom Cartridges:** If you require a custom cartridge that is not listed, contact Hornady for assistance.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when handling modified cases and reloading equipment.
- **Workspace:** Use the modified cases in a clean, dry, and wellventilated area to minimize risks associated with dust and debris.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident or malfunction.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before beginning the process.
- Ensure that your reloading equipment is clean and in good working condition.

2. Using the Modified Cases:

- Insert the modified case into the Hornady LockNLoad Gauge according to the manufacturer's instructions.
- Adjust the gauge as needed to achieve the desired bullet seating depth.
- Follow the specific instructions provided with your gauge for accurate measurements.

3. After Use:

- Carefully remove the modified case from the gauge.
- Inspect the modified case for any signs of damage or wear.
- Store the modified cases in a safe and secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of any damaged or worn modified cases in accordance with local regulations.
- Do not throw modified cases in regular household trash. Contact local waste management authorities for proper disposal methods.
- Ensure that all components are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with the LOCKNLOAD MODIFIED CASES 6MM CREEDMOOR MODIFIED CASE. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important guidelines.
