# Safety Instructions for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 5.45X39MM FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This product is designed to provide precise and reliable reloading performance. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that your workspace is clean, organized, and free from distractions.
- Keep all reloading components, including dies, out of reach of children and unauthorized individuals.
- Follow all local laws and regulations regarding reloading and firearms.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of the potential hazards associated with reloading, including but not limited to chemical exposure and mechanical injuries.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of reloading dies can lead to accidents or malfunctions.
  - Always check for obstructions or damage before using the dies.
- **Avoiding Hazards:**
  - Do not use the die set for any purpose other than its intended use.
  - Ensure that the dies are properly installed and secured before use.
  - Regularly inspect the dies for wear or damage. Replace if necessary.
- **AudienceSpecific Warnings:**
  - This product is intended for use by individuals who are knowledgeable about firearms and reloading practices.
  - Keep the product away from children and individuals without proper training.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is clean and free from debris.
  2. Install the full length sizing die into the press according to the manufacturer's instructions.
  3. Secure the die in place to prevent movement during operation.
  4. Install the bullet seating die in the same manner.
- **Usage:**
  1. Follow the reloading data specific to the 5.45 x 39 mm cartridge.
  2. Adjust the sizing die to achieve the desired case dimensions.
  3. Use the bullet seating die to properly seat bullets to the recommended depth.
  4. Perform regular checks on the reloaded ammunition for consistency and safety.
- **PostUse:**

- Clean the dies after each use to maintain their performance and longevity.
- Store the dies in a safe, dry place away from moisture and corrosion.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the dies in regular household waste.
- Contact local waste management authorities for proper disposal methods for reloading components.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of the Hornady Custom Grade 2Die set, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

By adhering to these safety instructions, you can ensure a safer reloading experience. Thank you for your attention to these important guidelines. Enjoy your reloading activities responsibly!
