ATIP SEATING DIE STEMS 338 CALIBER ATIP 300GR SEATING STEM

Safety Instruction Guide

Introduction

Thank you for choosing the Hornady ATip Match Bullet Seating Stem. This product is designed for use with Hornady Bullet Seating Dies and is specifically profiled to match ATip Match bullets. To ensure your safety and the proper functioning of this product, please read and follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that the seating stem is compatible with your specific Hornady Bullet Seating Die.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the seating stem for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended bullet specifications when using the ATip seating stem.
- Avoid using the seating stem for any purpose other than its intended use.
- Always wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Ensure a clean and organized workspace to prevent accidents during use.
- If you experience any difficulties or irregularities while using the seating stem, stop using it immediately and consult the manufacturer or a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your Hornady Bullet Seating Die is clean and free from debris.
- Remove the existing seating stem from the die by unscrewing it counterclockwise.
- Align the ATip seating stem with the die and screw it in clockwise until securely fastened.
- Verify that the seating stem is properly seated and aligned within the die.

2. Usage:

- Prepare your bullets and cases according to standard reloading procedures.
- Insert the case into the seating die and ensure it is held securely.
- Carefully lower the seating stem onto the bullet, ensuring proper alignment.
- Apply consistent pressure to seat the bullet to the desired depth.
- Once seating is complete, remove the case from the die and inspect the bullet for proper seating.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the seating stem in regular household waste. Instead, check with local recycling programs for proper disposal methods.
- Ensure that any packaging materials are disposed of responsibly and in accordance with recycling guidelines.

Contact Information for Further Support

For any inquiries or support regarding the Hornady ATip Match Bullet Seating Stem, please refer to the manufacturer's official website or contact their customer service department. Ensure that you provide all relevant details regarding your product and any issues you may be experiencing.

Thank you for your attention to these safety guidelines. Your safety and the effective use of the ATip Seating Die Stems are our top priorities.
