

22 CALIBER LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS 22 CALIBER (0.224") 85.5GR HOLLOW POINT BOAT TAIL 1000/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 22 caliber 85.5 Grain Long Range Hybrid Target™ Bullets feature an improved center of gravity and ballistic coefficient. Utilizing advanced and proprietary manufacturing processes, Bergers new innovative Meplat Reduction Technology™ (MRT™) System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile for the industry's most consistent Ballistic Coefficients ("BC"). While a high BC is desirable to competitive shooters, shot-to-shot BC consistency is critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are all Doppler-radar verified with standard deviation unmatched by all other manufacturers.

Attributes

- Name: [BERGER BULLETS 22 CALIBER \(0.224"\) 85.5GR HOLLOW POINT BOAT TAIL 1000/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749019088
- Mfr. No.: 22785
- Ballistic Coefficient (G1): 0.524
- Ballistic Coefficient (G7): 0.268
- Brand Style: Long Range Hybrid Target
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 22 Caliber
- Diameter (Breech): -
- Diameter (in): 0.224
- Grain: 85.5
- Quantity: 1,000
- Delivery weight: 6.146kg
- Shipping height: 76mm
- Shipping width: 127mm
- Shipping length: 152mm
- UPC: 679459227858

Safety Instruction Guide for 22 Caliber Long Range Hybrid Target Bullets

Introduction

Thank you for choosing the Berger 22 Caliber Long Range Hybrid Target Bullets. This guide provides essential safety instructions to ensure safe handling and usage of the product. Please read this document carefully and follow the guidelines to minimize risks associated with the use of these bullets.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of causing injury.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Familiarize yourself with local laws and regulations regarding the use of ammunition.

Specific Safety Precautions for Use

- **Handling:**
 - Handle bullets with care to avoid dropping or damaging them.
 - Do not attempt to modify or disassemble the bullets.
- **Loading:**
 - Follow the firearm manufacturer's instructions for loading and unloading ammunition.
 - Ensure the firearm is pointed in a safe direction when loading and unloading.
- **Shooting:**
 - Only shoot at designated ranges or safe locations.
 - Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- **Misfires:**
 - If a bullet does not fire, wait at least 30 seconds before attempting to unload the firearm.
 - Follow proper procedures for clearing misfires as outlined in the firearm's manual.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is clean and in good working condition before use.
 - Carefully load the bullets into the magazine or chamber according to the firearm's manual.
- **Usage:**
 - Always check the firearm's safety mechanism before handling.
 - When ready to shoot, assume a stable shooting position and maintain control of the firearm.
 - After shooting, ensure that the firearm is unloaded and stored safely.

Disposal Instructions

- Dispose of used or damaged ammunition according to local regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety, please consult your local firearm dealer or manufacturer. They can provide additional guidance and support related to the use of ammunition.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility when handling firearms and ammunition.
