

# F-OPEN 7MM (0.284") BOAT TAIL BULLETS - BERGER BULLETS 7MM (0.284") 184GR HYBRID BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

After Bergers successful partnership with the U.S. Rifle Team co-developed the Berger 30 caliber 200.20x World Championship winning F-TR bullet, it's only fitting they continue the innovation with other U.S. Rifle Team disciplines. With this new sponsorship, the 7mm 184gr F-Open Hybrid Target Bullet was created. In addition, Berger will continue its support by donating \$1.00 from every box sold for each of these bulets to support the U.S. World Team efforts in 2018 and beyond. Hybrid Target Match Grade bullets blend the best aspects of the tangent and secant nose shapes into one ogive (nose). It starts at the bearing surface with a tangent section that will align itself more effectively when the bullet contacts the rifling. This results in a high Ballistic Coefficient bullet that is easier to tune.

## Attributes

- Name: [BERGER BULLETS 7MM \(0.284"\) 184GR HYBRID BOAT TAIL 500/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749019089
- Mfr. No.: 28708

# Safety Instruction Guide for FOPEN 7MM BOAT TAIL BULLETS

## Introduction

Thank you for choosing the FOPEN 7MM (0.284") Boat Tail Bullets by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully to understand how to handle and use the bullets safely.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe firearms handling practices.
- Always treat firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep the bullets out of reach of children and unauthorized persons.
- Do not use these bullets if they show signs of damage or corrosion.
- Always wear appropriate eye and ear protection when handling or using firearms.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are chambered for the 7mm caliber.
- Ensure that your firearm is in good working condition before use.
- Follow the manufacturer's loading recommendations for optimal performance and safety.
- Do not exceed maximum load recommendations as specified in reliable reloading manuals.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### • Installation:

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools and equipment, including a reloading press, dies, and scales.
- Carefully inspect each bullet before loading to ensure it is free from defects.

### • Usage:

- Load the bullets according to the specifications provided in the reloading manual.
- Always check the seating depth and crimp to ensure proper fit in the cartridge case.
- After loading, visually inspect the cartridges before use.
- When ready to fire, load the cartridge into the firearm and ensure it is securely chambered.
- Follow all firearm safety protocols while shooting.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local authorities for proper disposal methods.
- If you have any spent casings or other ammunition components, follow the same disposal guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the FOPEN 7MM Boat Tail Bullets, please refer to

the manufacturer's website or contact their customer service for assistance.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your FOPEN 7MM Boat Tail Bullets. Thank you for your attention to safety.
