

# HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 200.20X HYBRID BT 500/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballistician and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

## Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 200.20X HYBRID BT 500/BX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749019090
- Mfr. No.: 30717
- Ballistic Coefficient (G1): 0.640
- Ballistic Coefficient (G7): 0.328
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): -
- Diameter (in): -
- Grain: 200
- Sectional Density: -
- Quantity: 500
- Delivery weight: 6.668kg
- Shipping height: 76mm
- Shipping width: 127mm
- Shipping length: 165mm
- UPC: 679459307178

# Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

## Introduction

Thank you for choosing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe handling practices for ammunition and firearms.
- Always store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Regularly check for product recalls and safety updates through official channels.
- In case of an accident or unsafe product, report it to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear, including safety glasses and ear protection, when handling or firing ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Ensure your firearm is in good working condition and is designed to handle 30 caliber ammunition.
- Avoid using damaged or corroded bullets.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before handling bullets.
- Carefully insert the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm model.

### 2. Usage:

- Always check the bullet seating depth to ensure proper fitting in your firearm.
- Use only in firearms specifically chambered for 30 caliber (0.308") ammunition.
- Fire bullets only at designated shooting ranges or safe shooting areas.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS,

please refer to the product packaging or visit the manufacturer's website for additional support.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS. Thank you for your attention to safety.
