

# LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS - BERGER BULLETS 30 CALIBER (0.308") 208GR LR HYBRID TARGET 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's 30 Caliber Long Range Hybrid Target™ is the latest projectile offering in the highly anticipated Long Range Hybrid Target (LRHT) product line. The 30 Caliber LRHT boasts a high BC, jump-tolerant hybrid ogive profile that is Doppler Radar verified with less than 1% BC variation. A high Ballistic Coefficient is important for competitive shooting, but shot-to-shot consistency is the most critical aspect when engaging targets out to 1,000 yards and beyond.

# Safety Instruction Guide for LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS

## Introduction

Thank you for choosing the LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS by Berger Bullets. This guide provides essential safety instructions, general guidelines, and specific precautions to ensure safe handling and usage of this product. Please read this guide carefully to understand how to use the bullets safely and effectively.

## General Safety Guidelines

- Always treat bullets as if they are loaded.
- Store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of the reach of children and unauthorized persons.
- Do not use damaged or corroded bullets as they may pose a safety risk.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Always wear appropriate safety gear, including eye protection, when handling or shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 caliber (0.308") bullets before use.
- Verify that the firearm is in good working condition and properly maintained.
- Do not exceed the recommended load specifications for your firearm.
- Always check for obstructions in the barrel before firing.
- Use only in designated shooting ranges or safe shooting areas.
- Avoid using bullets in adverse weather conditions that may affect performance.
- Never mix different types of ammunition; use only the specified bullets for your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe environment and wearing appropriate safety gear.
- Gather all necessary equipment, including your firearm, bullets, and safety gear.

### 2. Loading the Bullets:

- Open the ammunition box carefully to prevent damage to the bullets.
- Inspect each bullet for any visible damage or defects.
- Load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.

### 3. Firing the Bullets:

- Aim your firearm at the designated target, ensuring that the area is clear of people and obstacles.
- Follow the standard operating procedures for your firearm when firing.
- Maintain a firm grip and proper stance while shooting to ensure accuracy and safety.

### 4. PostFiring:

- After firing, unload your firearm according to the manufacturer's instructions.

- Inspect the firearm and bullets for any signs of malfunction or damage.
- Store any remaining bullets securely and safely.

## **Disposal Instructions**

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for proper disposal methods.
- Follow all local regulations regarding the disposal of ammunition and firearms.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product information, please contact the manufacturer or your local dealer. Ensure that you have the product details and any relevant information ready for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and enjoyable shooting experience with the LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS.
