

LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS - BERGER BULLETS 30 CALIBER (0.308") 220GR LR HYBRID TARGET 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's 30 Caliber Long Range Hybrid Target™ is the latest projectile offering in the highly anticipated Long Range Hybrid Target (LRHT) product line. The 30 Caliber LRHT boasts a high BC, jump-tolerant hybrid ogive profile that is Doppler Radar verified with less than 1% BC variation. A high Ballistic Coefficient is important for competitive shooting, but shot-to-shot consistency is the most critical aspect when engaging targets out to 1,000 yards and beyond.

Safety Instruction Guide for LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS

Introduction

Thank you for choosing the LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS from Berger Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use to familiarize yourself with the safety precautions and instructions.

General Safety Guidelines

- Always handle ammunition with care, treating every round as if it is live.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate safety gear, including eye and ear protection, when handling or shooting ammunition.
- Ensure that your firearm is compatible with 30 Caliber (0.308") ammunition before use.
- Do not exceed the maximum load specifications provided by the firearm manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Only use bullets in firearms that are specifically designed for 30 Caliber (0.308") ammunition.
- Inspect bullets for damage or defects before use. Do not use damaged ammunition.
- Avoid using ammunition that has been exposed to excessive heat, humidity, or water.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Always ensure the firearm is pointed in a safe direction when loading or unloading ammunition.
- Be cautious of potential ricochet hazards when shooting.

Instructions for Installation and Usage

- Ensure that your firearm is unloaded and pointed in a safe direction before loading the bullets.
- Open the ammunition box carefully to avoid damaging the bullets.
- Load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.
- Once loaded, check again that the firearm is in a safe condition before firing.
- When ready to shoot, aim at your intended target and ensure that the area behind the target is clear of people and objects.
- After firing, keep the firearm pointed in a safe direction until you are ready to unload it.
- To unload, follow the manufacturer's instructions for safely removing the ammunition.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in the regular trash. Contact local authorities for information on hazardous waste disposal.
- If you are unsure about how to dispose of ammunition, consult a professional or local law enforcement for guidance.

Contact Information for Further Support

For any safety inquiries or concerns, please reach out to the appropriate contact point in your region. Always ensure you have access to support for any questions regarding the safe use of this product.

By following these guidelines, you can help ensure a safe and enjoyable experience with your LONG RANGE HYBRID TARGET 30 CALIBER (0.308") BULLETS. Thank you for your attention to safety.
