

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 300 PRC BUSHING FULL DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

## Introduction

Thank you for purchasing the Redding Type S Match Bushing Full Die Set. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of reloading ammunition.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage before use.
- If you notice any abnormalities or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The die set is designed to resize and seat bullets. Improper use may lead to accidents or injuries.
- Ensure that you are familiar with the reloading process and the specific functions of each die in the set.

### • Avoiding Hazards:

- Do not exceed the recommended load specifications for your ammunition.
- Always doublecheck measurements to ensure accuracy and safety.
- Avoid distractions while reloading to maintain focus and attention.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults operate the die set.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Follow the manufacturer's instructions for installing the Type S Bushing Full Sizing Die and Competition Seating Die into your reloading press.
- Make sure all components are tightened and properly aligned before use.

### 2. Usage:

#### ◦ Full Length Resizing:

- Insert the appropriate bushing into the sizing die based on your desired neck tension.
- Place a fired case into the die and operate the press to resize the case to the desired

dimensions.

- **Bullet Seating:**
  - Set the micrometer on the Competition Bullet Seating Die to your desired bullet seating depth.
  - Insert a bullet into the case mouth and operate the press to seat the bullet precisely.
- **Regular Checks:**
  - Periodically check the alignment and operation of the dies during use to ensure consistent performance.

## Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the use of your Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's contact details provided with the product packaging. Ensure that you have the product information ready for a quicker response.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your commitment to safety and responsible use.
